SENIOR CLASS
FINDLAY SENIOR HIGH SCHOOL
FINDLAY, OHIO

TO Superintendent I. F. Matteson,
for thirteen years of untiring effort
for the Public Schools of Findlay,
for a wise guidance which has brought
our school system to its present high
standard, for his fine service in promot-
ing the welfare of youth, and for deserts
more than can be repaid, the members
of the Class of 1930 respectfully dedi-
cate this Annual.

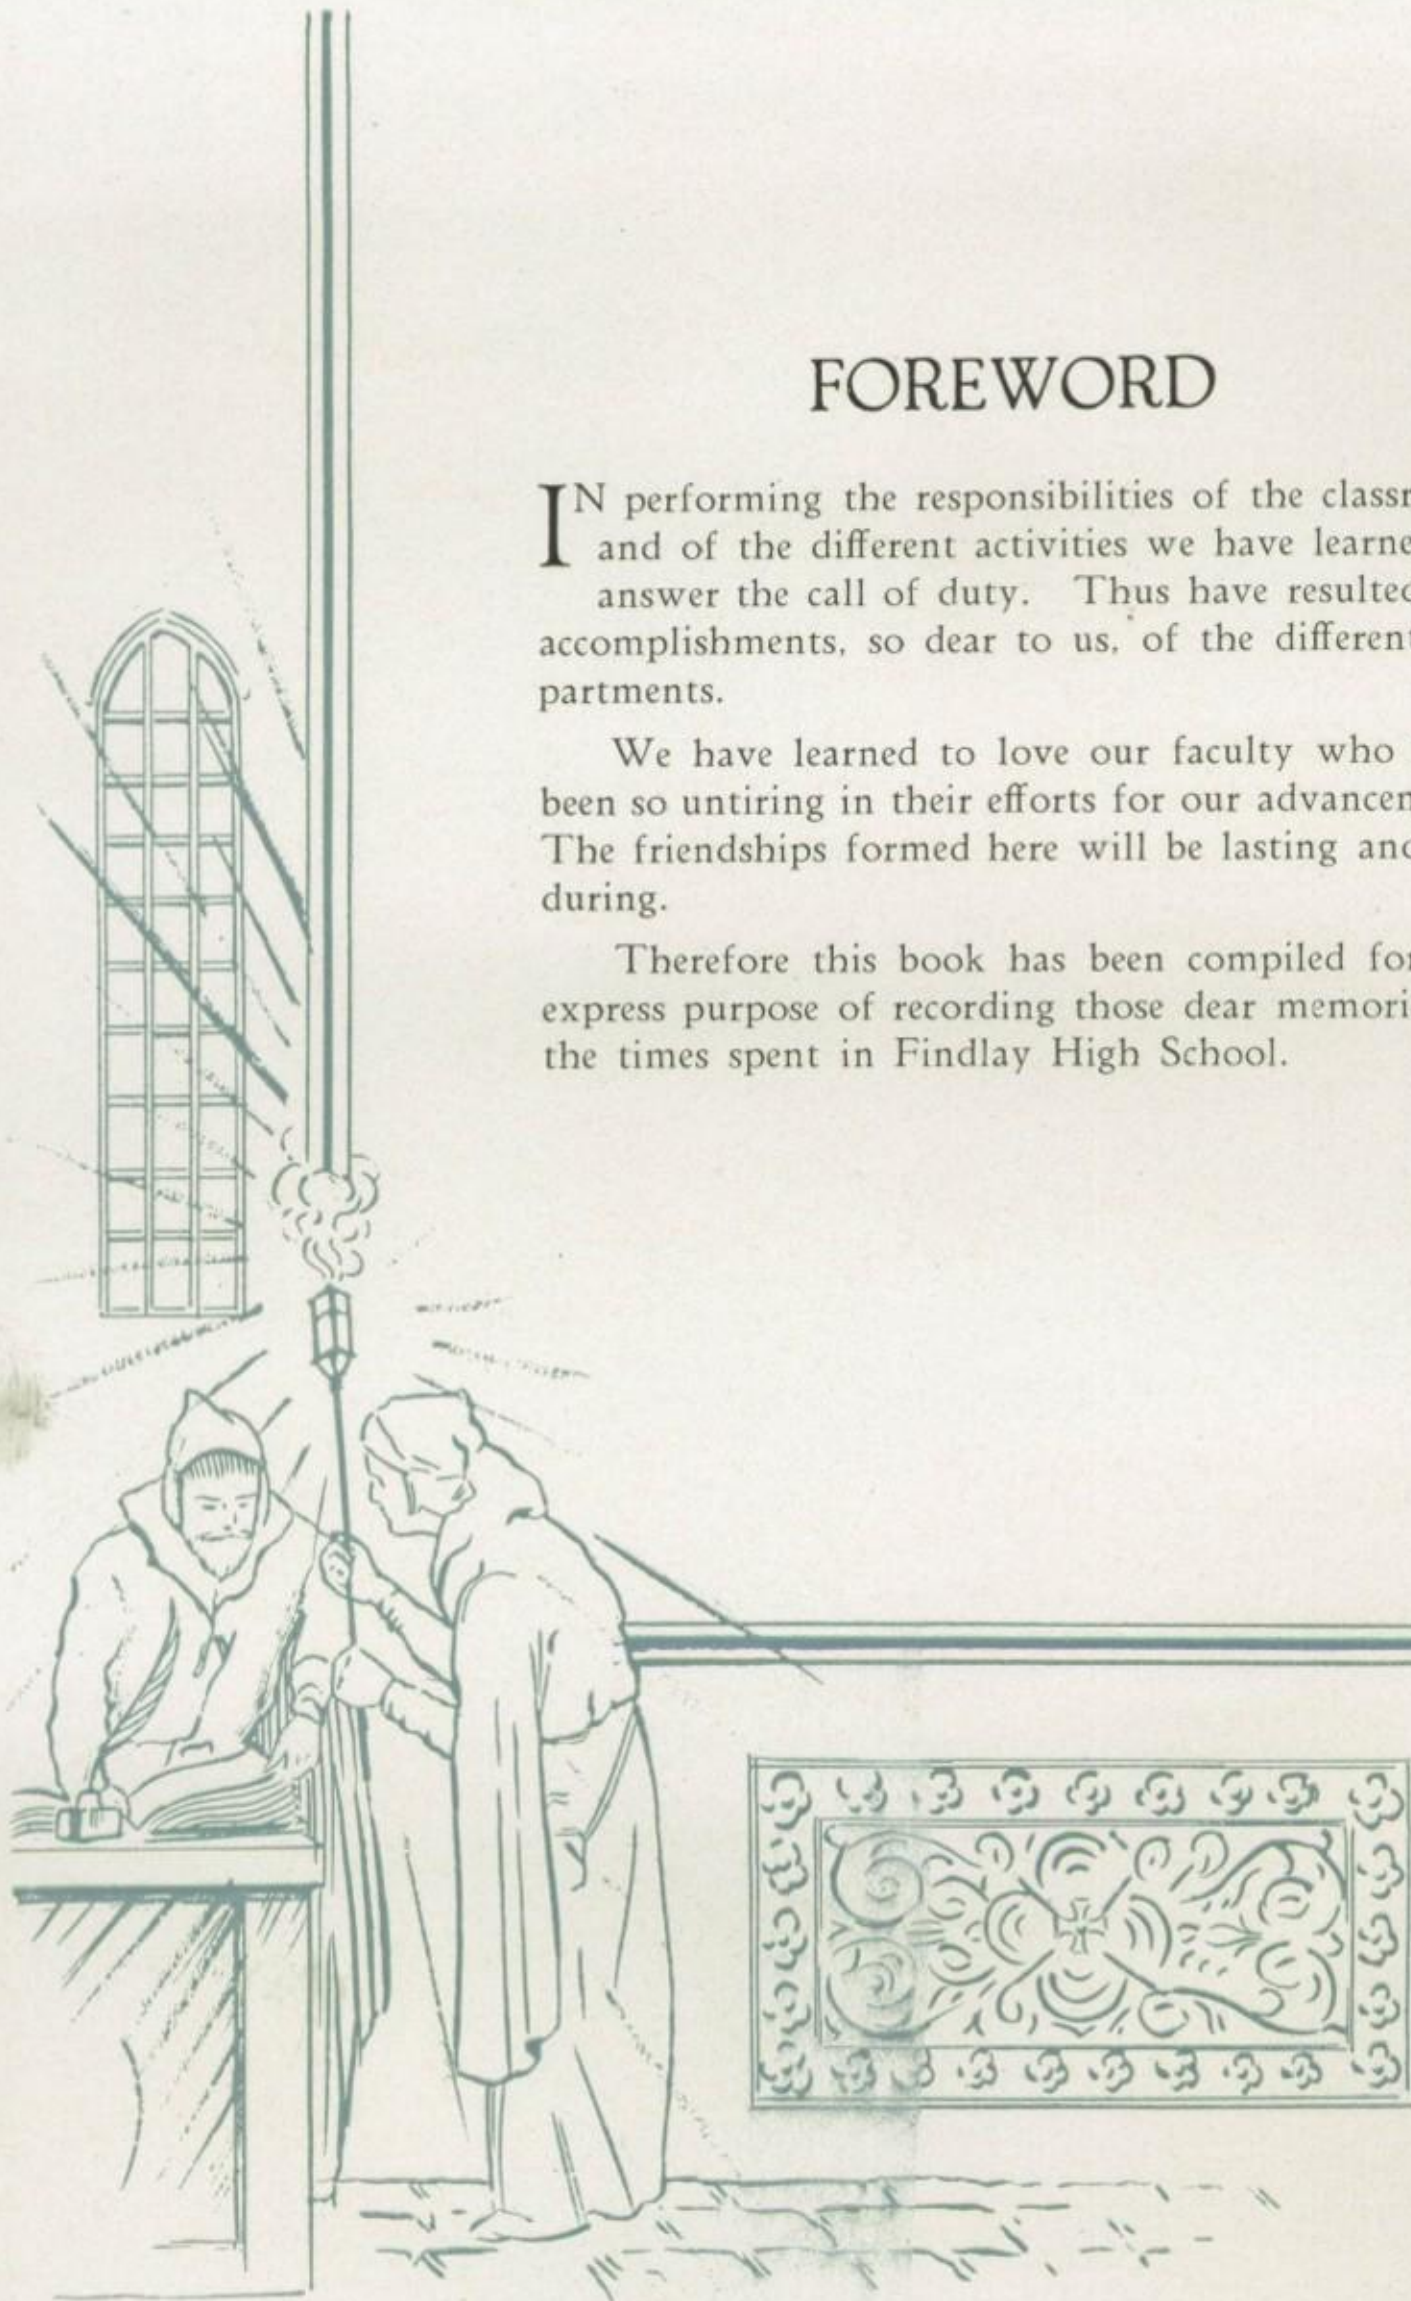

FOREWORD

IN performing the responsibilities of the classroom and of the different activities we have learned to answer the call of duty. Thus have resulted the accomplishments, so dear to us, of the different departments.

We have learned to love our faculty who have been so untiring in their efforts for our advancement. The friendships formed here will be lasting and enduring.

Therefore this book has been compiled for the express purpose of recording those dear memories of the times spent in Findlay High School.

ARNOLD

Matthew Arnold goes down in the pages of English literature as a man who was very interested in educational systems. He himself was given unusual educational advantages by his father, who was the eminent head master of Rugby School.

For the greater part of his life Arnold was lay inspector of schools. This office required much study in methods of education, and also three visits to the continent to investigate the systems in use there. He was a distinguished figure in English educational and literary circles during the Victorian Age.

BURNS

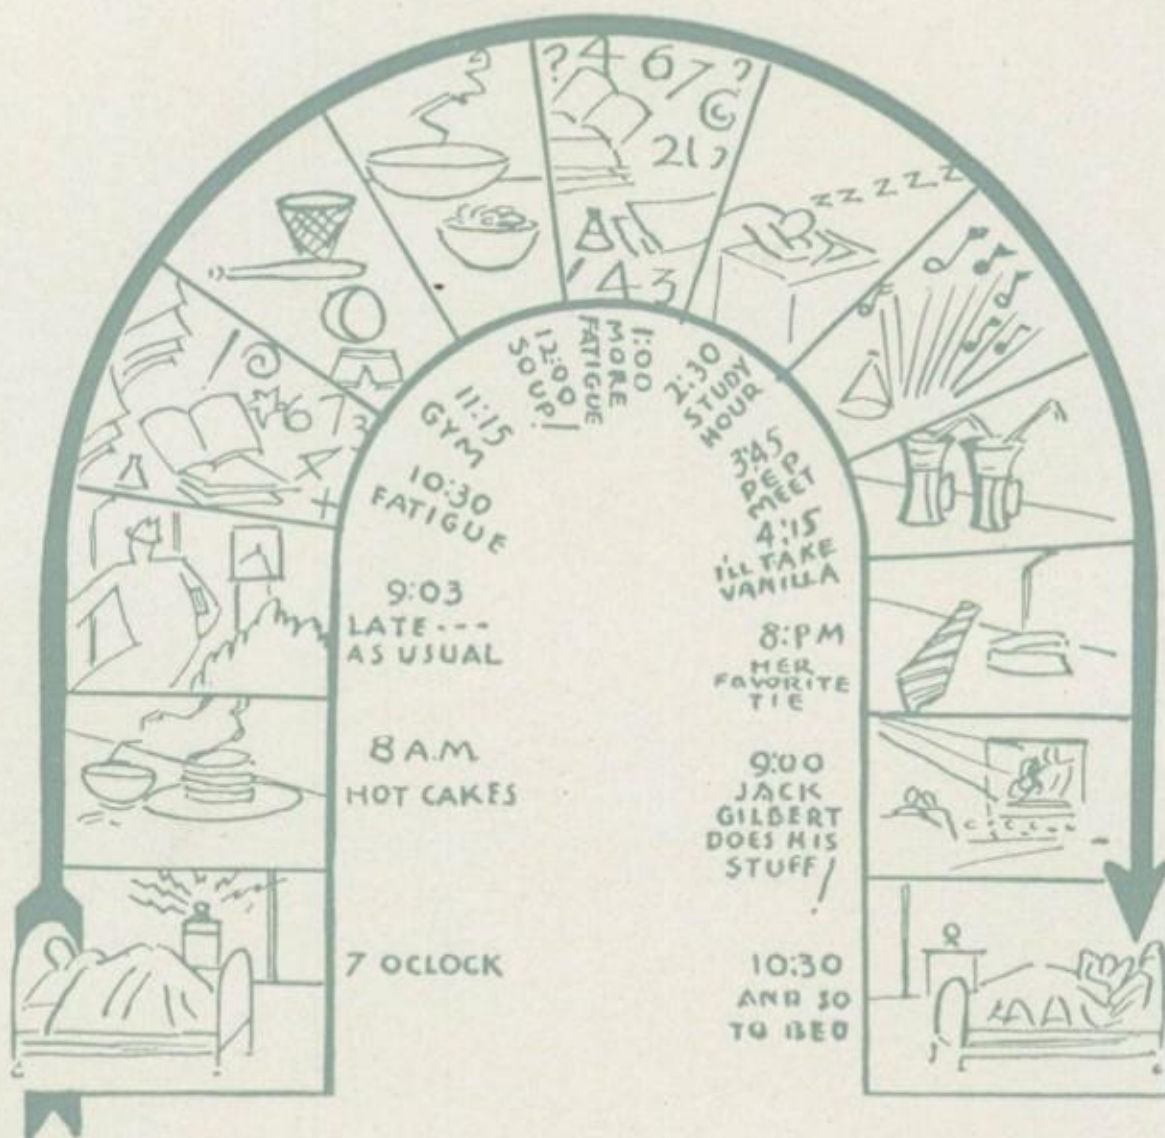

As the members of the Senior Class stand at the eve of their graduation and at the beginning of their careers, they realize probably for the first time the value of the comradeship and fellowship of their high school days. They could wish that it would never end.

Burns, the national poet of the Scotch, has expressed more heartily than any other this love of companions and friends. With him we Seniors can say.

"Should auld acquaintance
ance be forgot
And never brought to
mind?
Should auld acquaintance
be forgot
And days of auld lang
syne."

SENIOR CLASS HISTORY

The Class of 1930 shows a record breaking one. Having started our school careers in 1918 in many different cities and schools, we have come together in this, our senior year, to bring the story to a fitting climax.

We were one of the classes to first occupy the new Junior High Schools. Although we were only in the eighth grade, we brought honor to the schools in the eisteddfods, in helping with the papers, and in athletic activities. In our freshman year we again carried away honors, and successful plays were given in the two schools.

Upon entering Senior High School, the Donnell and Glenwood Junior High Schools were joined into one, and all rivalry was forgotten. We soon became acquainted with the rules and began to take active parts in the activities of the school.

Many of our number became interested in debate, football, basketball, clubs, and some participated in the eisteddfods.

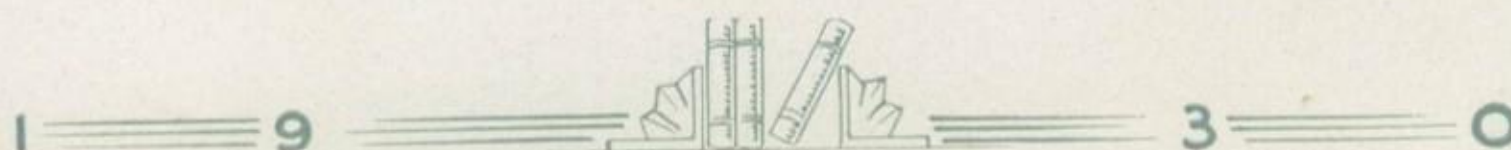

We struck our real stride when we entered our junior year. Under the leadership of John Donnell, president; James Clark, vice-president; Charles Hardy, secretary, and Joe Cole, treasurer, we gave one of the best junior plays ever presented in Findlay High School. We boasted the captains of the debate teams, prominent letter men in football, basketball, and track, and many participants in the operetta and eisteddfods; also, many of our number were on the annual and newspaper staffs.

At the beginning of this school year we again took up our duties and accepting the challenge of the Class of 1929, determined to carry on the traditions of the school. This being the most important year of all, we have made good and have raised the standard of our loved school by being successful in many major activities.

It is our wish that the incoming Seniors will carry on the acts of our class and keep Findlay High School at the front.

As we have presented "The Servant in the House," an excellent class play, with the help of our efficient sponsors, Miss West and Mr. Hutson and have brought to a close our duties, our career at Findlay High School ends.

SENIOR CLASS PROPHECY

"Mary," said Charles (you all remember Charles Hardy), "this is our twentieth anniversary. Let's take the thirty thousand I made on Beardsley Steel and use it for a second honeymoon. Remember the week at Niagara Falls?" That's how it all happened. Charles and I were going on our second honeymoon.

The few hours soon rolled by, and we hurried over to the Robinson Flying Field. We boarded the new Cook monoplane, just christened by the beautiful charmer, Madame Culp. Mayor Herbert Coates, president of the Airplane Company, Raymond Krauss and his petite wife, nee Isabel Long, Judge Eimas, and Miss Maxine Folk, president of the Humane Society bade us a fond and prayerful adieu.

With misgivings we found Marden Bishop in the cockpit at the controls. Gerald Haugh passed for his mechanic and Robert Huff as porter, wrestling the luggage in a fashion beautiful to behold.

Leaving the great metropolis of Findlay in the background, we were soon on our perilous journey in the great open spaces. Our first landing was Cleveland. As we circled precariously over the city, we could read the blatant signs of the Sherwood and Fenimore Emporium of Contentment and Rest, Madame Houghton Beauty Parlors, and the John Bender Cut Price and Value Shoe Company. As we landed safely, what should come to our ears but the jazzy symphonies of Prof. Richard Wittenmeyer and his classy band! Such musicians as Harold Goudy, Walter Smith, Van Burtis Spitler, Betty Davis, Catherine McCarthy and Caroline Spahr outdid themselves in the familiar song, "Old Findlay High."

Having received such a harmonious welcome at our first stop, we were sure that our trip would be a success. City Manager Raymond Snyder, who is now ousted for his corrupt political connections, gave us the brass key to the city. The strong arms of the law, Robert McManness and Merritt Williams, escorted us through the busy streets. Being hungry we satisfied our appetites at the Shontlemire Cafe where some of our old friends, Marilyn Meyers, Leona Scott, and Eula Hosafros were entertaining with some new and originally executed dances. As a special attraction by the courtesy of the management, Delbert Miller, with his magic black art and patent leather hair, mystified everyone.

After seeing all these unusual performances, we craned our necks and gaped at sky scrapers in the process of efficient construction by the contractor, John Donnell and his associates, Rollin Johnson and Robert Gray. The latter were busily engaged in a process known to the elite as putting too much sand in the concrete.

Determined to miss nothing, we went to Avery Park where we found none other than our friend Harold Hartman, as keeper of the monkeys, Charles Hershey, dictator of the merry-go-round, and Kenneth Jefferds, keeper of the crazy house. However, they were outdone by Larry Kresser, who magnanimously gave us a free ride on the roller coaster.

Such generosity overcame us and we returned in confusion to new Cleveland. We rode down Buis Avenue, new and spacious, at the end of which rose the stately Firmin Library. Dortha Headworth, the head librarian, showed us through the lofty, musty halls. There we noticed the great debaters, DeWolfe Schatzel and Charles Reed, earnestly pouring over books for their next senatorial debates. It is worthy of note that Senator Shatzel holds the Senate filibustering record with seventeen days and four hours. It is conceded that Senator Reed would have broken this record had he not lost the floor when he yawned.

Wishing to see the Ila Burgard Broadcasting Station of which we lately had heard so much, we entered the magnificent building. Whom should we see but the manager of the Radio Corporation, Eugene Copeland along with his advisors, Richard Bayless, Milan Johnston, and Paul Krouse. James Ebert wafted us up on the elevator to the radio announcing room where Lloyd Huffman was prognosticating the next number, a duet by Ruth Andrus and Lucille Spangler. The famous pianist and composer, Betty Smith, condescended to play for her many admirers.

We hurried down into the busy streets and after purchasing some sweets at Deed's Confectionery Store, we returned to the airport to the next hazard.

We arrived at Niagara, the place of fond memories, where we were astounded, dumbfounded, and a little pleased to discover that Fermon Etheridge, the great dare-devil, was scheduled to go over the falls in a rubber ball, manufactured by Wise and Spoon Company. He claimed to be able to do this while he was leading the cheering section, easy, we know, for Fermon.

Immediately we started for the Falls. Here we met the Misses Grace Eiler, Audrey Altman, Leota Gohlke, and Wilma McGown, all school teachers on a vacation from the Detroit schools. (What a break for the kids!) Edward Mitchell was hawling "extras" for the Haley United Press. From its illiterate columns, we painfully extracted the news that Paul Lecky and Harry Harvey were promoting Mr. Etheridge's feat and were expecting a big profit from the performance.

THE BLUE AND GOLD

The time drew near. Soon we saw the huge ball floating toward the falls. Some of the spectators, Ruth Bauer, Jane Davis, Opal Foreman and Martha Houck, were so excited that they very closely escaped a submersion which would have dampened their ardor considerably.

While we were at Niagara Falls, we took the opportunity to visit the new Leader Power Plant. We were surprised to find Glen Whisler with his charming wife the former Genevieve Kuhn, and Dr. Clarence Hendricks, with his little bride Inez Wisner, also being shown through the plant by Bernard Ketzenberger and Paul Bigley.

We decided to spend a few hours at a matinee in the sumptuous Day Theatre. The attraction was very interesting and entirely different from what we had expected; we had expected something good.

There were some mediocre acrobatic stunts featuring Jack Walters, Peter Brandman, Merle Kirkbride, Laura Bayless, Harriett Bisher, Margaret Gordon, and Ethel Mosier. During the acts we listened to the stirring strains of Joe Cole's theatre orchestra. Among its talented players appeared Ruth Martin, Evelyn Pemberton, Vivian Bennett, Audrey Hickman, Lucille Waltemire, John Lippincott, and Mervin Updegraf. We never knew they were musicians; we still don't.

To our delight we found, that due to our swift transportation, we would be able to pass the night in Detroit. We were anxious to spend the night at the new Collins and Clark Hotel which was full almost to capacity. We were conducted to our rooms by Ethelmay Hauman. By chance the Findlay Glee Club, including Ethel Bibler, Lois Frech, Marie Huntwork, and Louise Wittenmeyer, led by Marie Porter, was making a tour and was staying in the same hotel. This might have proved uncomfortable if the owners, Jerry and Jimmy, had not specifically stated, "No Singing!"

Depositing our luggage in the room we went to the new Guyer-Gohlke Play House where Esther Pratt supported by Rex Redman, was featured. After saying "Hello" to Zeylah Campbell in the box office, we were taken to our seats by Eugene Mitchell. We especially enjoyed the haystack comedy, now come into popularity again, which had an all-star cast of Nora Bame, Ruth Dicus, Clara DeMuth, Wilbur Shoemaker, and Rodney Rice.

On leaving we hailed a taxi, expertly wrangled by Merle Stears and were taken to the hotel. There we found a group of girls, including Gertrude Spaeth, Mable Smith, Mary Enck, Vivian Pratt, and Caroline Moyer, old friends, waiting to see us. In spite of this, we soon retired, determined to get up early to continue our journey and return to Findlay the next night.

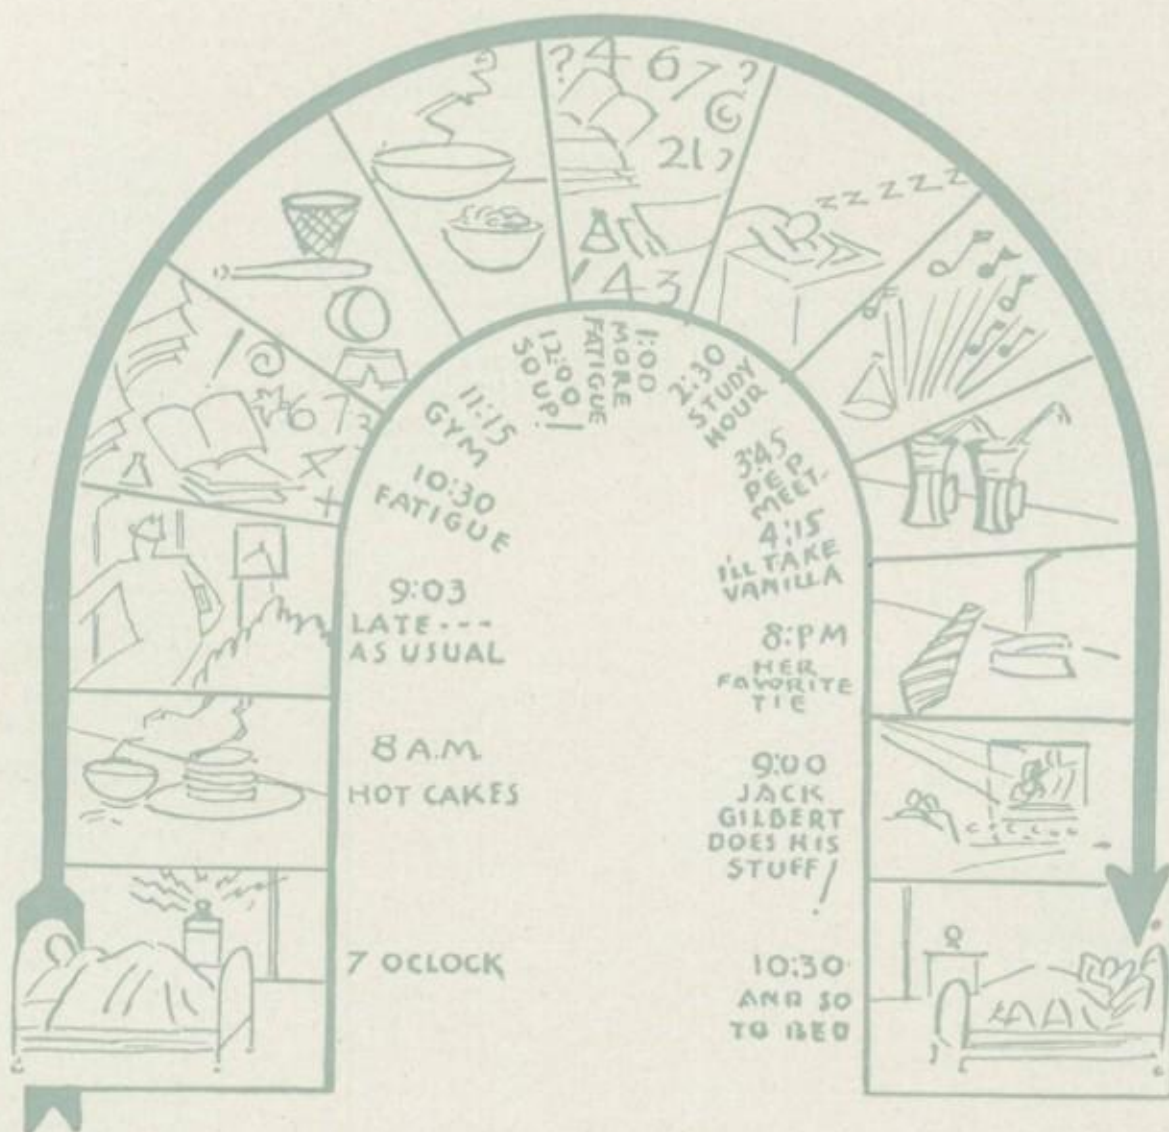

The next morning we hurried over to Madam Bernice Schoonover's lunch room, where Lucille Wineland and Alma Smith brought us our breakfast. We learned that it had been prepared by Nellie Russell and Esther McRill. After seeing them we started down the street where we saw Policeman Robert Swartz arresting Lillian Taylor with Alice Denman, Helen Thomas and Dorothy Deihlman, for speeding in her new Tinsman straight eight. We hurried into the Roth Fashion Shop where Twila Saul, Louise Driesbach and Margaret Reidel were exhibiting the new Paris frocks. Martha Royer, and Winona Weiger seemed to be making many sales at this time. Going on down the wide street we saw many different shops, of better or worse appearance, the latter class including the Westfall Music Store, Madame Janice Sheppard's Beauty Parlors, the North Clothing Establishment, and the Swisher and Cobb Picture Studio. Having a kind thought for our friends at home we entered the Dochterman Supply Company to get some post cards. Whom should we find here but Almeda Fisher and Marie Kolhoff typing for the large Leach-Hartman Printing Shop.

Charles was afraid we should stop some place else; so he put us on the street car with Eugene Spahr as motorman and William Poole as conductor. On this we made our noisy way to the new Sargent Insurance Building, a busy place, where in the confusion we encountered Mabel Busic, Dorothy Curtis, Mary Ellen Haley, and Wilmetta Hosler examining Ruth Myers, Laura Krieger, Helen Meier, and Mary Mathias for life insurance. They were passing the examination from what we overheard. We had enough of this and left. On our way we noticed Robert Grubb, Don Simpson, and Raymond Searfoss pasting bills on which the names of Jannetta Robarge, Mae Frommer, Violet Leeper, Leora McAnnelly and Anna Fox appeared endorsing Fornes No-Crack Paint and Morehart brushes.

We left for home again. However, we suffered a slight accident due to Pilot Bishop and mechanic Haugh's failure to buy enough gasoline. We were forced down in the industrial city of Mortimer where the Bailey-Crates ambulance, manipulated by Paul Ambrecht rushed us to the Sheppard Hospital. Finally, Dr. William Barton, with his most capable and pleasing nurses, Goldie Clark, Marjorie Winders, and Magdalene Pifer saved our valuable lives.

Nevertheless, we soon arrived in Findlay and were feeling fine from the effects. "Charles," said I, "let's anniverse next year!" "Ugh."

JUNIOR CLASS HISTORY

MEMBERS of the Class of 1931 have already made a name for themselves in Senior High School by proving that they are a very responsible and capable class.

They, too, were one of the first three classes in the Junior High School buildings, and they played a large part in making their schools a success. This class may justly feel fortunate that they were the first to graduate from the three-year course offered in the Donnell and Glenwood Schools.

In the freshman year they were represented on the staffs of the papers, in the athletic teams, and in various clubs. They gave successful plays and operettas also in this year.

Upon coming to Senior High School they readily acquainted themselves with the habits and regulations and set out to do their best by helping the school in every manner possible. They chose as their leaders, Richard Shoupe, president; Mary Kirsten, vice-president; Sarah Newton, secretary; and Max Briggs, treasurer.

The Sophomores also brought honor to the school by winning several events in the scholastic contest which was held at Columbus. Several represented their class in the chapel choir, and many took part in the athletic events of the year.

Their junior year has proved just as much of a success as their sophomore year. They are well represented in football, basketball, track, debate, operetta, eisteddfods, clubs, and many other school activities. Many Juniors have played prominent parts in our chapel exercises, which have been unusually successful.

The class presented "Polly with a Past," one of the best plays that Findlay High School has ever seen. They were helped much in this production by their sponsors, Miss Wiseley and Mr. Alexander.

With this splendid record back of them we feel confident that they will be able to accept the challenge of the Class of '30 and capably fill the places made vacant by the Seniors. We need not worry that this will be done unsatisfactorily.

FIFTY ONE

TO THE JUNIORS

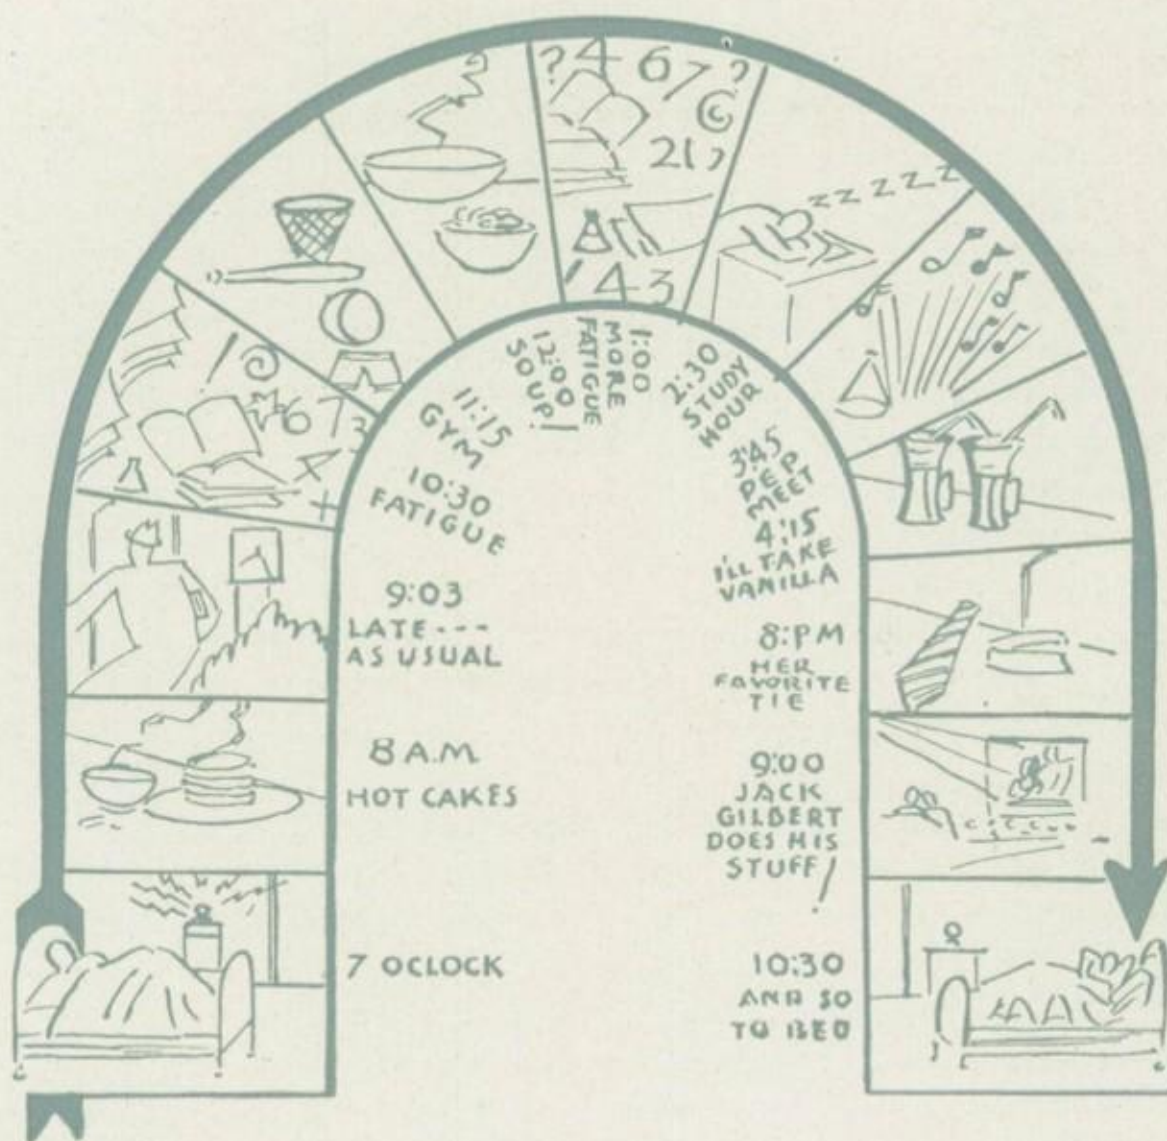

THE activities of this year have brought the career of the Senior Class to a fitting climax. The graduating class has attained a higher standard of scholarship than any previous class and in addition to the fine type of customary classroom work has accomplished better results in an increased number of extra curricula activities. Well may Findlay High be proud of their liberal contribution to her steady progress.

Never before has a finer, better rounded record issued from more sincere endeavors. Musical ability has been amply developed as demonstrated. Our debaters have carried out an exceedingly interesting as well as vigorous program. Chapels this year have been more representative of the entire student body than before, and therefore, they have stimulated more interest. If anything, they have proved to be of a still deeper significance. We have a larger number of clubs and greater percentage of club membership. These organizations have been much more worthwhile and instructive. Without doubt, the most obvious strides both literally and figuratively have taken place in the sphere of athletics. The football team has been an improvement over last year's, and never have we had such success in basketball for years. Track, baseball, volley ball, and tennis are gradually assuming their rightful places in school life. The success of our plays has been outstanding. More efficient than ever, the Student Council has proved to be of more constant value. They, too, have realized a more extended program.

Thus one could go on page after page enumerating in detail the achievements of the past year. In each one of these activities seniors have taken the lead. It is they who have pushed on to greater advancement. So it should be. The class of 1930 has shown its worth in leadership. Yet its part in the history of Findlay High, no matter how interesting, no matter how important, is past. We must turn the well known page for one which is unread.

In view of these facts the Senior Class extends to their junior friends a most sincere desire that they may greatly better the present high standards. Realizing that they have already done their best to further this end, that it is only through progress that this standard may be maintained, and that the Junior Class is particularly capable of taking upon themselves this invigorating and enjoyable responsibility, the Seniors are eagerly looking forward to vast improvements. Their various experiences, their successes, their failures, their contributions, and their errors will directly mean little to Findlay High unless they are of some value to the coming Senior Class as a guide to their course. They do not regret their own mistakes if they will, in some degree, benefit their successors.

Therefore it is with extreme pleasure that the Class of 1930 gives up its place to the Class of 1931. Confident that their positions will be well filled they are looking forward with a high degree of expectancy to marked progress in each field of activity. The seniors feel that they have done their part well; they hope the juniors may do theirs better.

SOPHOMORE CLASS HISTORY

Members of the Class of 1932 are far different from the sophomore classes we used to know. They are not of the green, backward sort, but they have proved themselves confident and capable.

As we watched this class go through the Donnell and Glenwood Junior High Schools, we had already recognized its abilities and found it to be very outstanding.

Successful plays and operettas were given in the respective schools. They greatly improved their respective school papers. A keen competition developed between the two schools in athletics, and as a result, we now find some of our best athletes products of this class.

Since they have entered Senior High School, however, they have been molded into one large body. All competitive differences are forgotten, and they are working toward the same end.

The Sophomores have become acquainted with the school and are striving to live up to the rules and regulations. They are trying their best to keep up the standards set before them.

They are participating freely in the various activities of the school. We find them taking very active parts in football, basketball, track, music, debate, and our many clubs.

Some fine chapels have been rendered by the sophomore members. We find that their scholastic standing is also very high, and we feel justly sure that it will grow higher as their career in Findlay High broadens.

There is every reason to believe that the Class of '32 will continue to live up to the high standard which they have already achieved and that they will truly carry on the traditions of the school.

The sponsors of the Sophomore class are Mr. Miller and Miss Switzer.

SHAKESPEARE

The pages of Shakespeare are transcripts of the activity, the business, the problems, and the joys of life. His dramas pulsate with action. His characters do things; they live lives that are interesting, human, and appealing.

His broad sympathy, his human interest, his humor bring him closer to us and we feel that his characters, too, are playing the game of life. His contemporary, Ben Jonson, said of him, "He is not for an age but for all time."

The advertising teams have accomplished their work particularly well this year. Their's is probably the most tiresome task in connection with the business division of the annual and paper staffs. Yet each member has done his share cheerfully and competently, never failing to secure the needed advertisements.

Much credit for their success is due to the splendid response which they received from the various business organizations of the city. They have shown fine cooperation.

Never before have the teams been so fortunate in obtaining their quota of advertisements as our teams have this year. They have raised the standard of efficiency for succeeding canvassers, for they have collected more ads in much less time.

The solicitors may well be proud of their work this year. It is only through the aid of their tireless efforts that our paper and annual have been a success.

Somewhere back through the ages they must have become acquainted with some such grand old adage as "Try, try again," for the persistence they have shown in soliciting subscriptions is nonparalleled. With so determined an air and the confidence that this year's publications were to reach an unprecedented standard, they succeeded in convincing a great many within and without the school that the paper and annual were the very articles they wanted. The sale in most of the senior home rooms reached the hundred per cent mark. Even some of the sophomore home rooms were a hundred per cent.

Since the solicitors have improved upon all previous records, we feel greatly indebted to them for their loyal service.

PUBLICATIONS

HUSTLE! Bustle! Stacks of closely written papers! Pencils that will not stay sharpened! The role of a staff member is the superlative degree of a schedule that is crammed full of never-ending activity. There is no doubt that the Blue and Gold room is the busiest in the building. In spite of the fact that each member does his work quickly and deftly there is always something more to be written, it seems.

This year, under the efficient guidance of Mr. Hutson, the staff has made many improvements in the size of the paper and in the style of type heads. The old style type has been exchanged for a newer, more modernistic form. Several new columns have been added which have greatly increased the popularity of the paper. Budding authors have also had an opportunity to display their genius. Several essayists and dramatists have been discovered, and even a few promising poets, who had lain dormant, were brought to light by means of several contests conducted by the staff. Their productions, published in every issue, proved very interesting and served to stimulate more highly developed talent.

Assignments for work on the annual were made very early and the work was accomplished in a relatively short time, although it did seem a slightly longer period to some of the burdened staff members.

Looking only towards the best the staff has striven to raise the standard of their publication above that of all former years by carefully correcting all the errors which were pointed out in the previous year-book. The rearrangement of the senior class pictures was made with a view to better balance of each page. Another important change was in the classifications of snapshots under certain definite headings.

The theme of this year's annual has been developed in a thoroughly interesting manner. The metamorphosis of books from the very beginning of writing to the present day has been very beautifully illustrated.

Both the paper and annual staffs have done their very best to give to their school something truly worthwhile in their respective lines.

THE BLUE AND GOLD

HONOR E CLASS

FIRST—D. Headworth, R. Bauer, M. Badger, J. Davis, R. Myers, T. Saul, B. Schoonover, A. Hickman, V. Leeper.

SECOND—M. E. Westfall, E. Firmin, E. Pratt, L. Driesbach, A. Denman, N. Bame, I. Long, A. Altman, R. Martin.

THIRD—O. Foreman, H. Woods, L. Taylor, W. McGown, D. Diehlman, G. Eiler, I. Wisner.

FOURTH—D. Miller, C. Leader, C. Hershey, F. Sargent, R. Swartz.

FIFTH—E. Copeland, C. Reed, D. Schatzel, J. Beardsley.

Those students who at the end of their Senior year, have received an average of ninety per cent or better for their entire four year course are rewarded for their fine scholarship by automatically becoming a member of the Honor E. Class.

Scholarship, the most important accomplishment of school training, is the one requirement for membership in this society. In order to attain and keep such a high standard of scholarship, a student must do his work well from day to day, for it is by steadiness that he attains his high grades. The student who has this steadiness is the student who plans his work carefully and who utilizes every moment of time. Thus the student achieves not only the high and much coveted honor of being a member of the Honor E Class but also a very thorough education, which will make him a better citizen in the years to come.

BIG SISTERS

FIRST—D. Headworth, M. E. Westfall, M. Porter, E. Pratt, E. Pemberton, H. Thomas, J. Davis, R. Bauer, C. Moyer.

SECOND—R. Haley, B. Schoonover, M. Royer, G. Spaeth, I. Burgard, N. Bame, R. Myers, M. Badger, I. Long, R. Martin.

THIRD—M. Pifer, A. Altman, O. Foreman, M. Winders, L. Spangler, G. Eiler, I. Wisner, E. Hauman.

FOURTH—L. Driesbach, L. Taylor, D. Diehlman, T. Saul, H. Woods, M. Huntwork, W. Weiger.

The Big Sister Organization is a great help to the sophomore girls especially at the beginning of the school year for it is the duty and pleasure of each Big Sister to help her Little Sisters to become acquainted in the high school. In accomplishing this end each of the girls has a group of lower classmen over whom she has particular charge. She must become acquainted with them, help them to know each other, and aid them in anyway she can to fall in line in F. H. S.

Under the leadership of Miss Kiefer the girls sponsored the girls mixer, which was in the form of a hard-time Party. No regular meetings were held during the year, but the president, Ethel Mae Hauman, called special meetings whenever it was necessary.

THE BLUE AND GOLD

NATIONAL HONOR SOCIETY

FIRST—R. Bauer, M. Badger, M. Porter, E. Pratt, M. E. Westfall, R. Myers, D. Headworth, C. Moyer.

SECOND—I. Long, N. Bame, W. McGown, L. Spangler, E. Firmin, I. Wisner, T. Saul, B. Schoonover.

THIRD—R. Swartz, M. Winders, O. Foreman, D. Diehlman, L. Driesbach, G. Eiler, C. Leader, J. Donnell.

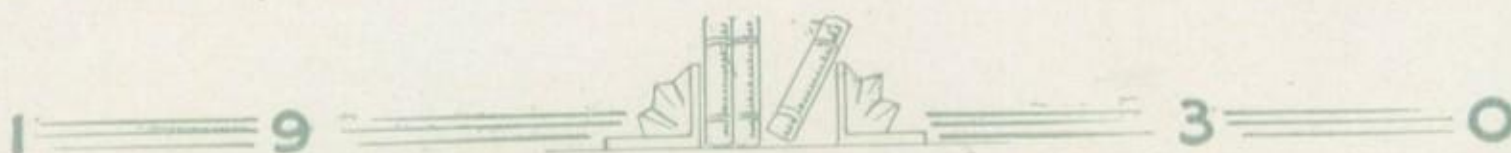

FOURTH—F. Sargent, E. Copeland, D. Schatzel, R. Wittenmyer, J. Beardsley, C. Reed, C. Hershey.

Membership of the Blue and Gold chapter of the National Honor Society is the ambition of many of the students in the school but the attainment of so few. Thirty-one from the class of '30 were chosen by the unanimous vote of the faculty, after being recommended by the council composed of Miss Mills, Miss Kiefer, Miss Fassett, Mr. Kinley, Mr. Robbins, and Mr. Hutson.

According to the Constitution of the National Honor Society students must have four virtues: first, the student must be chosen from the upper fourth of the class; second, he must have rendered service during the greater part of his high school life. As a third requisite, the student must have a worthy character; and fourth, he must be a leader among his classmates.

Those who meet these requirements are entitled to the honor of belonging to the National Honor Society.

SEVENTY TWO

STUDENT COUNCIL

- FIRST—D. Headworth, E. Fairbanks, M. Minter, M. Robinson, E. Gohlke, K. Pratt, C. Moyer.
- SECOND—C. Headworth, M. E. Biery, H. Conrath, E. Collins, H. Schwyn, F. Driesbach.
- THIRD—M. Windle, R. Maxwell, G. Spaeth, A. Lee, G. Eiler, M. Winder, M. Wilson.
- FOURTH—R. Phillips, D. Miller, G. Love, G. Leatherman, S. Taylor, N. Copeland.
- FIFTH—G. Stough, R. Sherwood, D. Powell, S. Elsea, G. Gray, K. Sherk, J. Ebersole.
- SIXTH—R. Krauss, J. Dufford, R. Alesch, E. Amsler, Mr. Kinley.

The Student Council is probably the only organization whose purpose is solely to serve the school.

The council is formed of student representatives from each room and Mr. Kinley, the sponsor, representing the faculty.

Many school projects were instigated and supported by the Student Council. Among these was the gift of Valentine baskets to the poor, the annual spelling contest, and the lectures given by several noted men.

Charles Hardy capably filled the office of president for both semesters. Other officers were Louise Dreisbach, Marjorie Winders, and Dorothea Headworth.

During the meetings different problems concerning the welfare of the school were discussed. The views of the students on methods of solutions were brought forth by their representatives; those of the faculty were suggested by Mr. Kinley.

SEVENTY THREE

CAMPFIRE GIRLS

FIRST—D. Traxler, E. Shontlemire, J. Price, B. Tyner, M. Ewers, H. Doyle, H. Hoy, M. Hall, A. Pratt.

SECOND—F. Hamm, L. Denman, M. Windle, K. Pratt, D. Hauman, H. Love, D. Taylor, E. Hybarger.

THIRD—C. Hosafros, I. Longworth, E. Gohlke, H. Schwyn, P. Doty, E. Collins, M. Ross.

FOURTH—R. Maxwell, M. Biery, C. Jacobs, M. Foster, F. Stover, L. Bayless, R. Ulrich, A. Lee.

FIFTH—A. Bibler, H. Conrath, M. Bonham, B. Davis, P. Johnston, L. Dreisbach, G. Cooper.

SIXTH—M. Yantis, F. Miller, M. Taylor, H. Tinsman, M. Wickham, F. Altman, M. Mertz.

The Campfire organization is of great significance in the lives of a number of girls of our school. Through the law of Campfire, the girls are helped to lead better lives. Therefore a great many girls, no matter what their tastes or dislikes, are attracted to this organization, for it is the ambition of every girl to become a pure and noble woman. One of the big aims of the organization is to interest more girls in the work of the club, thus giving the club an opportunity of lifting the moral standards of these girls. In Miss Jenkins, the guardian of the Trulohe group, and Mrs. Frost, guardian of Anakisin, the girls certainly have two splendid examples of all for which Campfire stands.

A better acquaintance with chemistry, its application, and the practical part which it occupies in our lives have been the purpose of the Chemistry Club. Under the able leadership of Mr. Alexander, our teacher of chemistry, the organization has accomplished its end. Every two weeks various members have presented a demonstration from which various phases of chemistry have been studied.

The organization, with the cooperation of its officers, Scott Elsea, Robert Schwab, De Wolfe Schatzel, and Paul Miller, has become in its first year one of the school's foremost clubs, including in its increasing membership those junior and senior students interested in chemistry.

The Classical Club is composed of those students who are especially interested in Latin. The meetings, from which the members learn the customs, ideas, and literature of the ancient Romans, are chiefly instructive. Our language is derived from the Latin language and our law from the Roman law, so that a greater knowledge of ancient Rome tends to give us a clearer perception of the language and law of our own country.

With the untiring efforts of Miss Jenkins, the club gave a Roman banquet commemorating the Ides of March. The public was invited to attend.

The president, Nora Bame, with the other officers, Ellen Hybarger, Mary Badger, and Helen King, ably led the club through a very successful year.

The Commercial Club of Findlay High School is made up of senior commercial students who have received an average of G in their school work. Toward the end of each year junior students desirous of joining are given membership so that they will be able to carry on the work of the club the following year.

The officers of the club were as follows: President, Inez Wisner; Vice-President, Milan Johnston; Secretary and Treasurer, Ila Burgard.

During the year a number of outside speakers spoke to the club, thereby giving the members some pointers from actual experience. The chief aim of the club is to give the members a better knowledge of the business world.

One of the many projects of the club is the publication of the commercial department paper, "Bizzy Bits." A banquet is an annual social event of the year.

The club has as sponsors, Miss Fassett and Miss Moore.

DEBATE CLUB

FIRST—M. Windle, R. Maxwell, K. Pratt, F. Stover, S. Dantico.

SECOND—E. Gohlke, H. Schwyn, M. Foster, H. Conrath, H. Doyle, N. Bame.

FOURTH—Mr. Smith, R. McIntosh, C. Reed, R. Wallen, D. Schatzel, M. Insley.

The work of the Debate Club is becoming more noticeable and more popular every year. Students are beginning to realize that by attempting to improve their powers of speech they not only get a source of enjoyment and fellowship, but also a valuable training with which they would never part in later life.

The club under the sponsorship of Mr. Miller and Mr. Smith met once a month, at which time it studied a debate manual. This study was varied with debates, and with a study of the lives of three great orators, Disraeli, Gladstone, and Burke.

The club claimed DeWolfe Schatzel as president. Assisting him were Robert McIntosh and Faye Stover.

Le Cercle Francais has aimed to create among its members a keener interest in France, her people, her customs, and her civilization.

All the business and programs were carried on in French to help improve the spoken French of the members. The singing of French songs not only helped the student to improve his French, but it also added to his enjoyment of the club work. Many wholesome amusements were planned by the organization for its members.

The French Club held a Christmas meeting and exchange. A mid-term party was also a feature of the year's social activities.

The club met once a month under the guidance of its sponsor, Miss Wiseley. The officers of the club were: Mary Kirsten, president; Charles Leader, vice-president; Marjorie Winders, secretary; and Leota Gohlke, treasurer.

The Girl Reserve Club is one of the largest in the school and also one from which many high ideals may be derived. The meetings provide an opportunity for discussing the great problem of facing life fairly and squarely.

During the year the club has been privileged to hear outside speakers. The girls have received splendid advice as to choosing a life's work, fixing a definite goal, and maintaining a high moral standard.

These girls are led by Ruth Meyers, president; Mary Kirsten, vice-president; Grace Eiler, secretary; and Isabel Long, treasurer. They have two splendid examples before them in the sponsors, Miss Mills and Miss Kiefer.

SENIOR HI - Y

FIRST—D. Miller, D. Fenimore, P. Leckey, W. Smith, R. Robinson, R. Swartz, M. Kirkbride.
 SECOND—H. Goudy, E. Copeland, W. Shoemaker, J. Clark, H. Coates, F. Etheridge, G. Whisler, C. Leader.
 THIRD—M. Williams, R. Gray, R. Johnston, E. Spahr, C. Avery, R. Bayless, C. Hershey, J. Donnell.
 FOURTH—M. Johnston, R. Wittenmyer, W. McDowell, R. McManness, J. Beardsley, F. Sargent, B. Ketzenberger, J. Ebert.
 FIFTH—C. Reed, R. Krauss, G. Collins, C. Hendricks.

The purpose of the Senior Hi-Y Club is "to create, maintain, and extend throughout the school and community high standards of Christian character." The club endeavors to do this by endorsing fellowship. They decided to get together once a month to have a bean feed. The fact that the Tiffin Hi-Y Club was entertained at one of these affairs tended to bind the neighboring clubs together in a true bond of friendship.

During the Christmas season the club furnished four Christmas baskets to be given to the needy.

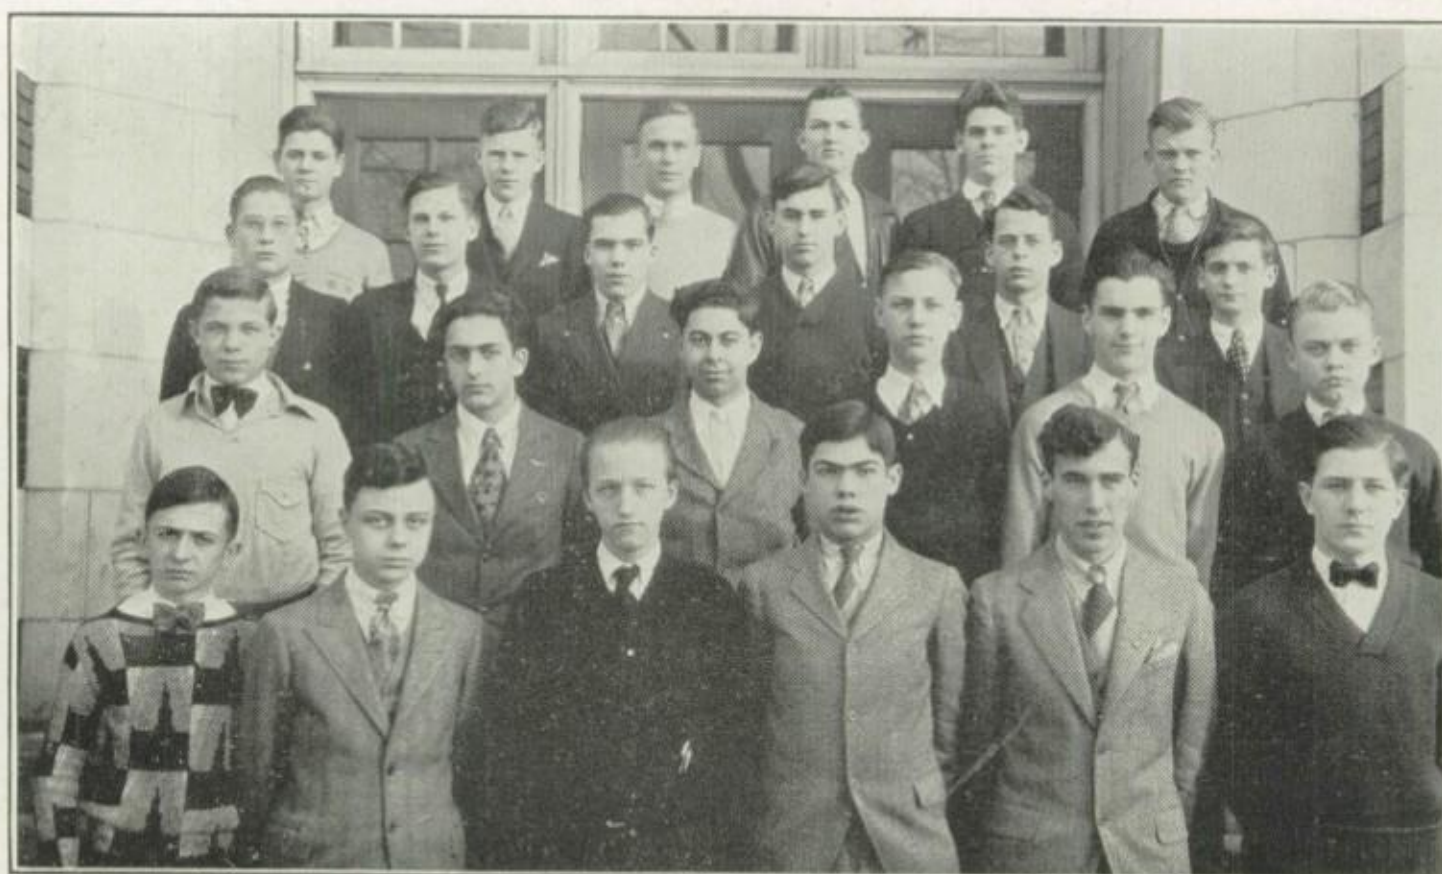

Under Mr. John Lehman, the sponsor, and its able officers, James Beardsley, Wilbur Shoemaker, Eugene Copeland, and John Donnell, the club ably supported the Northwestern Ohio Conference which was held in Findlay, December 6, 7, 8. The club also sent a representative to the Hi-Y Congress at Columbus.

A club with such a fine purpose is certainly an asset to any high school.

FIRST—R. Phillips, W. Black, R. Mathew, J. Snyder, R. Heck, F. Chapman.

SECOND—J. Halliwill, G. Fenimore, F. Haley, E. Smith, R. Thompson, M. Briggs.

THIRD—W. Weller, P. Miller, R. Schwab, R. Hendricks, A. Bloomingdale, H. Arras.

FOURTH—T. Bayless, S. Elsea, E. Amsler, R. Shoupe, J. Spangler, R. Snyder.

During the year the junior chapter of the Hi-Y Club accomplished many things, although perhaps some were not seen directly.

A well rounded program, selected by the program committee for the year's work, was carried out with the help of Mr. Robbins, the sponsor. A vocational guidance course was undertaken, alternated with round-tables, Bible discussions, and talks by outside speakers.

The club had the same lofty aims as did the senior and sophomore clubs. The club carried out their aims with a marked degree of success largely due to its officers, Stephen Stuntz, Robert Schwab, and Francis Chapman.

SOPHOMORE HI - Y

FIRST—A. Bromley, W. Kelley, N. Copeland, R. Davis, R. Pierce, W. Wittenmyer, G. Ashwell, W. Fishell, R. Grubb.

SECOND—S. Taylor, H. Bond, R. Corbin, C. Brandman, M. Insley, R. Loveridge, R. Smith, O. Myers, D. Gray.

FIFTH—D. Powell, E. Ladd, V. Schwab, D. White, G. Gray.

Owing to the large membership of the Sophomore chapter of the Hi-Y club it has been divided into two divisions. Mr. Kilgore, who has had quite a bit of experience in Hi-Y work, has charge of the first division, and Mr. Paul Barrett has charge of the second. Each division had delegates at the Northwestern Ohio Conference, which was held in Findlay.

The activities of these two chapters are felt around the school, as the meetings help to solve the many problems of a great number of boys.

The officers of the first division are Merlin Jeffery, president; Richard Grubb, vice-president; Keith Saul, secretary; and Edward Ladd, treasurer.

Those of the second group are Roland Smith, president; Sheldon Taylor, vice-president; Alfred Fenstermaker, secretary; and Emery Adams, treasurer.

 SEVENTH—M. Bishop, R. Snyder, J. Beardsley, R. Alesch, C. Avery, R. Hendricks, J. Spangler, E. Copeland, R. Schwab.

The Justamere Club is considerably more than just a mere club. It is an organization interested in literature and especially that of modern writers.

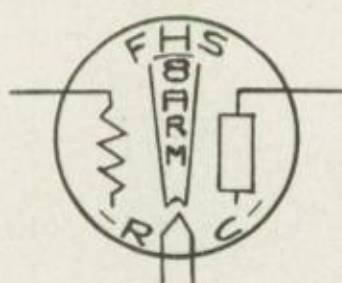

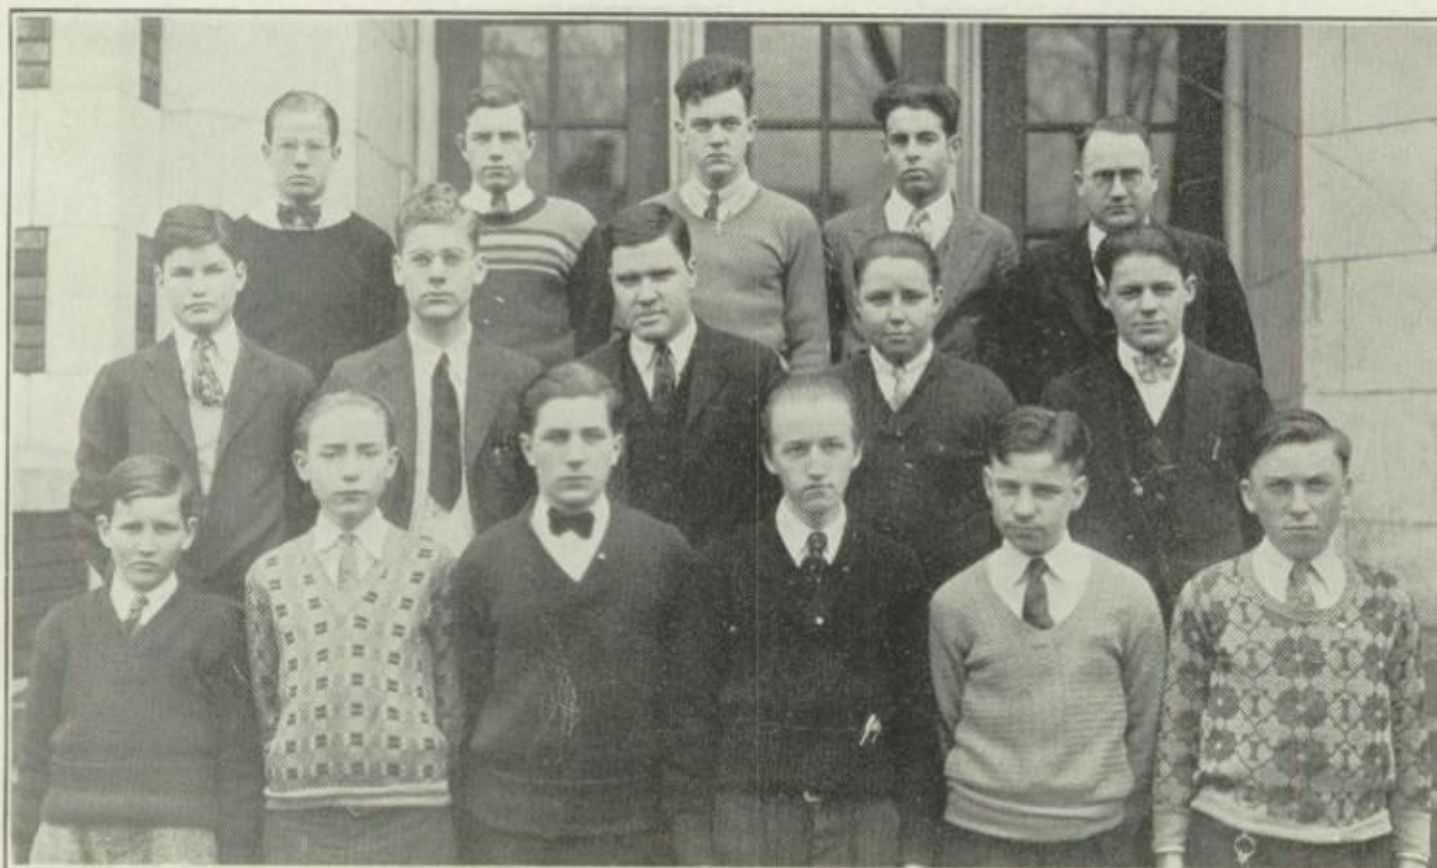

A president, a vice-president, a secretary, a treasurer, a critic, and a censor comprise the club officers. These offices are held respectively by Castle Avery, Jane Davis, Martha Houck, James Beardsley, Justine Bailey, and Dorathy Alice Roth.

The program consists chiefly of reviews of modern drama and novels with a report on the author's life. By studying modern works an interest is aroused in the literature of today. The realization that each day new ideas are being completed bring a feeling of responsibility to those who some day will be called upon to take their place in the literary world.

The social side is not neglected, for a banquet at the close of the year is a very necessary part of the proceedings of the club. Thus, by a well balanced program, the members receive a real source of enjoyment from the organization which is sponsored by Miss Mildred Dietsch and Miss Ruth Finton.

EIGHTY FOUR

THE BLUE AND GOLD

RADIO CLUB

FIRST—F. Hoy, W. Kelley, F. Chapman, R. Mathew, M. Reamsnyder, C. Blackford.

SECOND—C. Mitchell, G. Jelley, W. Beall, K. Wolford, F. Weitz.

THIRD—R. Kelley, E. Ladd, R. McManness, H. Lucas, Mr. Shull.

During its second year of existence the Radio Club has attracted the attention of many more students.

The purpose of the club is to teach its members to become good radio operators. The meetings include code practice and a study and discussion of transmitters and receivers. The members are encouraged to learn the code, build transmitters and receivers, and apply for licenses. A number of motion pictures on the building and operating of radio stations were shown at the club meetings.

The club has a station with the call letters W 8 A R M. Three members of the organization already have become licensed amateurs. They are Harlow Lucas, W 8 Q Q, William Beall, W 8 B L W and Merle Reamsnyder, W 8 C X N. Others have applied and will receive their licenses in the near future.

Mr. Shull sponsors the group. Its officers are Harlow Lucas, president; William Beall, vice-president; and Robert McManness, secretary-treasurer.

SPANISH CLUB

FIRST—M. Riedel, M. Leach, C. DeMuth, J. Bailey, D. Curtis, W. McGown, M. Houck.

SECOND—P. Leckey, H. Coates, R. Huff, E. Copeland, H. Harvey, P. Brandman, Miss Littleton.

THIRD—E. Mitchell, R. Wittenmyer, J. Beardsley, C. Hendricks, P. Krouse, R. Johnston.

El Circulo Castellano has had, due to the able leadership of its sponsor, Miss Lois Littleton, a very prosperous year. As the club was somewhat larger than in previous years, more was accomplished.

The club programs were of such a nature as to improve the knowledge of the customs, history, spirit, commercial life, educational systems, geography, and literature of Spain. They also developed the students command of the spoken language.

A social use of Spanish not only makes the study more enjoyable, but creates sympathy with the races who speak it, and so educates and broadens our outlook on life.

The club, with the cooperation of its president, Justine Bailey, and other officers, James Beardsley, Wilma McGown, and Richard Wittenmyer, has collected a small museum.

STAGE CRAFT CLUB

- FIRST—V. Fry, C. Headworth, B. Tyner, M. Kresser, L. Wolfe, K. Pratt, F. Hamm, I. Hough, A Pratt.
- SECOND—L. Gohlke, D. Taylor, V. Harris, H. Severns, M. Warner, I. Longworth, M. Bonham, M. Hall.
- THIRD—Miss Switzer, C. Miles, M. Haley, M. Mertz, M. McDowell, D. A. Roth, M. Elliott, H. Doyle.
- FOURTH—T. Guyer, C. Cook, J. Poole, P. Mitchell R. Blosser, P. Butler, H. Bond.

The Stage Craft Club, organized this year by Miss Switzer, has proved to be an extraordinary club. The purpose of the club was to interest students into the construction and painting of stage settings. This work not only entertained the club members, but it gave them much valuable instruction. A surprisingly large number of enthusiastic students joined the club, thus practically assuring complete success.

Accordingly, the club has resulted in something more than a realization of its anticipation, for it has accomplished that which was not its original intention. Through much hard work the members together with their sponsor, Miss Switzer, were able to construct scenery for the junior play and operetta. This was a great help to the school since it saved a great deal of money.

Thus with the help of its officers, Leota Gohlke, Marie Kresser, Catherine Headworth, and Adele Pratt, the Stage Craft Club closed a very successful year.

EIGHTY SEVEN

TRAVEL CLUB

FIRST—H. Love, R. Ulrich, D. Hauman, D. Sprow, P. Doty, D. Hunt.

SECOND—R. Culp, L. Wineland, M. Pifer, C. DeMuth, Miss Kiefer.

THIRD—C. Davis, W. Miller, F. McCoy, D. Schofield.

FOURTH—P. Miller, D. Farrell, R. Joseph.

One of the several clubs that is new to our school this year is the Travel Club. This club under the leadership of Miss Kiefer, its sponsor, meets once every two weeks at which time one of the members or an outside speaker gives the club a talk on some trip that he has taken.

The main purpose of the organization is to give its members a broader education through the travel talks that are given at the meetings. The programs have proved quite interesting and enjoyable.

The club subscribed for "The Travel Magazine" which, it is believed, will do it a great deal of good.

Unlike most other clubs the Travel Club elects new officers for each semester. Those for the first semester were Harold Hanna, president; Florence Davis, vice-president; Delos Farrell, secretary; and Helen Love, treasurer. Those newly elected for the second semester are President, Daniel Schofield; Vice-President, Edna Parr; Secretary, Dorothy Sprow; and Treasurer, Ruth Culp.

SECOND—G. Hosler, E. Copeland, J. Clark, J. Walters, R. Beltz, D. Simpson, H. Hartman.

THIRD—R. Wittenmyer, W. Kuhlman, C. Hendricks, G. Collins, J. Spangler, J. Child, Mr. Knode.

The Letter "F" Club is composed of boys who have won a major letter in athletics. The chief purpose of the club is to promote good sportsmanship and to uphold the honor of the letter "F."

During the first part of the year the club was rather small and could not accomplish much, but after the football season the empty ranks of the club were filled.

The club met every other Friday. Discussions concerning the origin and growth of different sports were held. The initiation of the many new members was looked forward to by everyone including the new members. Dark whisperings were heard on every side of the direness of the ordeal.

The president of the club, Gerald Collins, discharged his duties in a very creditable manner, as well as the other officers, Walter Smith and Richard Wittenmyer. The club had as sponsor Coach Robert T. Knode.

WINTER SADNESS

The snow comes down without a sound
And spreads its whiteness on the ground,
While from an old bare maple tree
A lonely bird looks down at me.
From out his throat there comes no song
To cheer my heart and make me strong.
The two of us hold this as one,
We need the summer and the sun.

—Beatrice Houghton

SUNSET

The clouded sunset gleams
In gold and argent beams,
O, That my God had made of me
An atom of that infinite sea!
Then might I with one glow suggest
The essence of his perfectness
And fade into eternal rest.

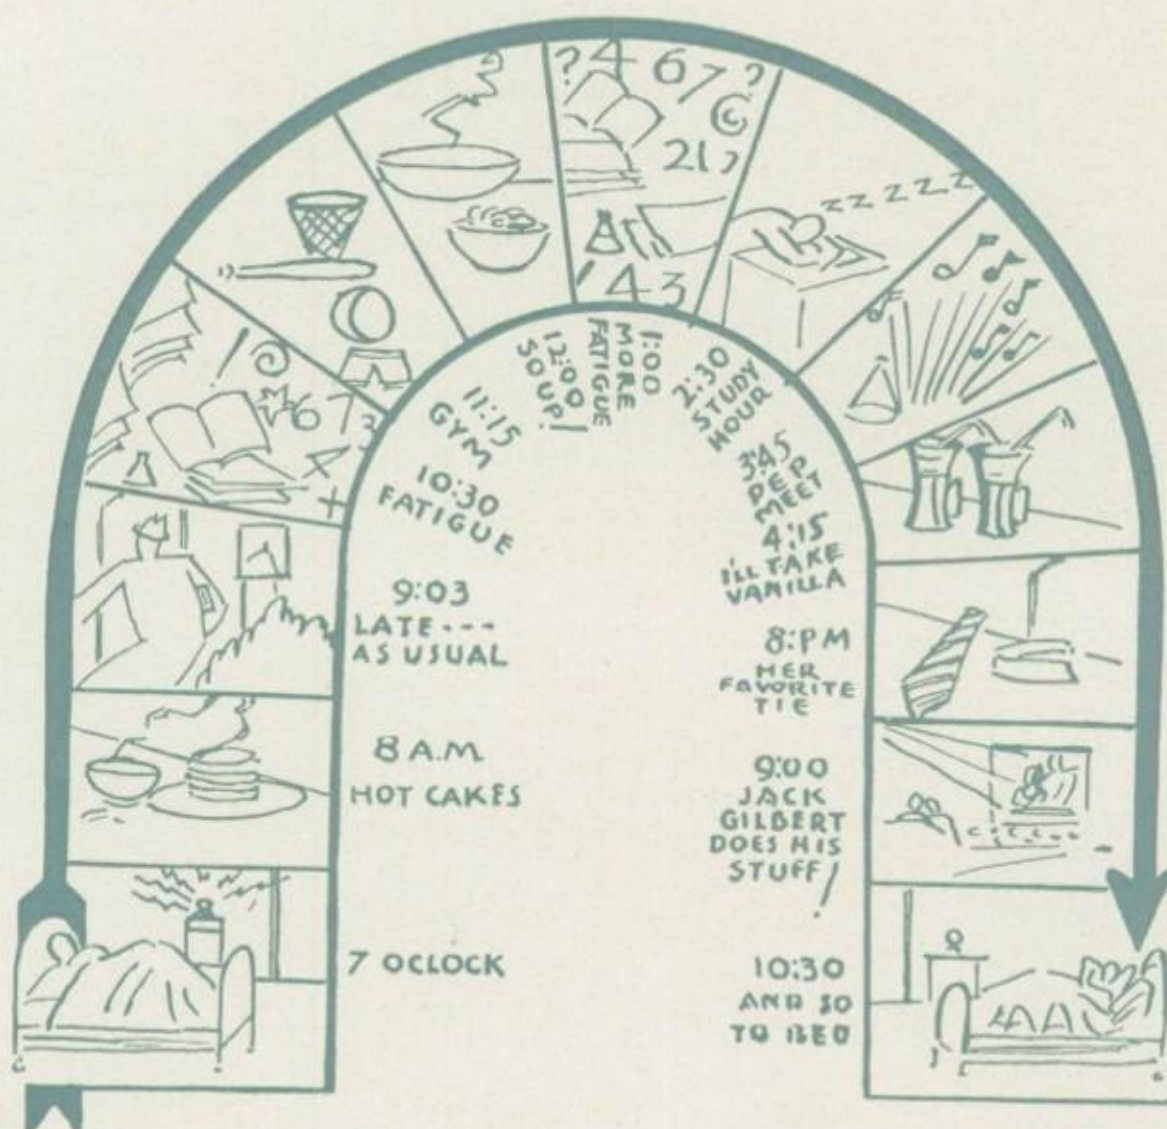

—Ruth Myers

SEASONS

The snowy scenes of childhood days
Bring to my memory clear
The vision of the sunlight rays,
And all those sports so dear.
Then beauteous Springtime with her elves
Of mischief filled my heart,
Which made me flee to shady dells,
And secrets there impart.
Then quick as ever you can say
Sweet Summer blossomed forth
And beckoned me to come and play
Along the sandy shores.
Soon then the soft autumnal breeze
Blends with those colors rare
Which Jack Frost paints for me, to please
My always wondering, childish stare.

SECOND—M. Folk, H. Thomas, A. Denman, E. Cavins, E. Dochterman, B. Davis, E. Collins, V. Spoon, J. Davis.

FIFTH—M. Williams, R. Rice, C. Lafferty, C. Avery, J. Clark, M. Bishop, T. Bayless.

SIXTH—E. Adams, F. Lowe, E. Price, R. Snyder, S. Stuntz.

The A Capella Choir has passed successfully through the second year of its career. The fact that it has inspired our splendid chapels with its unaccompanied music makes this organization a very important one. In the fore part of this year the group adopted a new feature, that of wearing choir robes, which has added much to our religious services.

The marked musical ability of the choir members and the capable leadership of Mr. Sanderson have been recognized also through the appearance of the choir in several Findlay church services.

JUNIOR PLAY

FIRST—B. Patterson, E. Collins, M. L. Winders, Miss West.

SECOND—R. Heck, P. Vandersall, E. Tussing, R. McIntosh.

THIRD—E. Amsler, S. Stuntz, R. Shoupe, R. Alesch, A. Bloomingdale.

The comedy "Polly with a Past," by George Middleton and Guy Bolton, was very ably presented, February 7 and 8, 1930, by members of the Junior Class.

Miss Sylvia West deserves much credit for her untiring efforts as director; so also do Miss Ruth Switzer and Miss Sina Sidwell, assisted by the Art Department, who very capably furnished the scenery and lighting requirements.

One of the leads, played by Richard Shoupe, was that of Rex VanZile, a young man who believes himself deeply infatuated with a social reformer, Miss Myrtle Davis. The latter part was taken by Mary Louise Winders.

Evelyn Tussing, as Mrs. Martha VanZile, played the part of Rex's very sympathetic and loving mother.

Betty Patterson, with whom Rex finally falls in love, interpreted the part of Polly Sharmon, the maid of Clay Collum and Harry Richardson, two middle-aged men, Alfred Bloomingdale and Richard Alesch respectively.

The part of Mrs. Clemantine Davis, the mother of Myrtle, was taken by Pauline Vandersall; that of Stiles, a drunkard, who has been "reformed" by Miss Davis, was played by Richard Heck. Robert McIntosh took the part of the elderly Commodore "Bob" Barker who is quite interested in the feminine half of the world.

The role of Prentice VanZile, an uncle of Rex, who had had much experience in love affairs, was taken by Elwood Amsler; the part of a stranger by Stephen Stuntz. Evelyn Collins played the part of Parker, Mrs. Van Zile's maid.

On the whole the play showed the result of much work and study on the part of each of the members of the cast, for each portrayed his part to an advantage.

The stage managers were James Poole and Paul Mitchell. The property manager was Mr. R. G. Alexander. Miss Helen Wiseley, assisted by Annabel Lee had charge of the costumes. Scott Elsea and Wilbur Weller acted as business managers.

 THIRD—R. Roberts, H. Schwyn, L. McAnelly, E. Dochterman, L. Gohlke, R. Dicus, H. Buis, M. Huntwork, W. Weiger, G. Eiler, A. Lee.
 FOURTH—R. Heck, E. Day, M. Williams, W. Smith, N. Franks, C. Wiseley, C. Maurer, R. Robinson.
 FIFTH—M. Bishop, P. Ambrecht, S. Stuntz, R. Snyder, G. Shafer, J. Snyder.

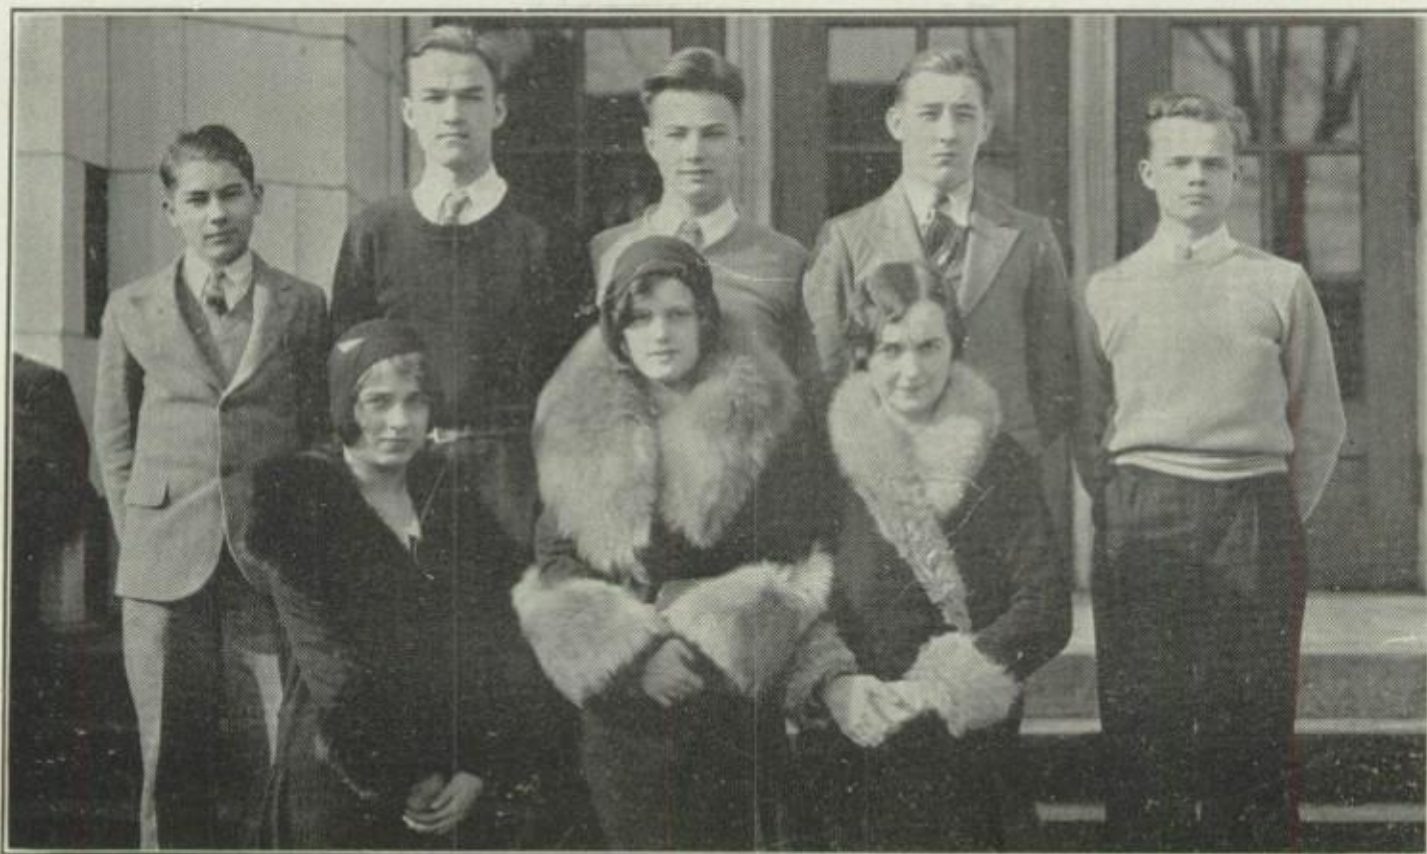

"The Chimes of Normandy," a comic opera by Robert Planquette, was presented by the Music Department of Findlay Senior High School, on March 21 and 22.

Much of the success of this very difficult opera was due to Mr. Wendell Sanderson, director of music, and Miss Ruth Finton, dramatic coach. We are indebted to Betty Smith, Helen King, and Ruth Roberts for their work as pianists; to Misses Enright, Anstaett, Littleton, Fasset, Switzer, to Messrs. Hochstetler, Slager, and Kilgore, for their assistance with stage properties, costumes, and lighting effects, to Fermon Etheridge, business manager, to James Poole and Paul Mitchell, stage managers for their untiring efforts. The orchestra, under Mr. Shisler's training, rendered, throughout the presentation, an excellent accompaniment which added much to the splendid effect of this year's opera.

NINETY FOUR

SENIOR PLAY

FIRST—R. Bauer, L. Scott, Miss West.

SECOND—D. Miller, D. Schatzel, C. Hershey, C. Reed, R. Swartz.

The senior play "The Servant in the House," a religious drama, by Charles Rann Kennedy, was very splendidly presented by an excellent cast on May 15 and 16, 1930.

Robert Swartz played very capably the part of "The Lord Bishop of Lancashire." He is one of three brothers who have been repudiated for many years, and about this idea much of the interest of the play hinges. Charles Reed and DeWolfe Schatzel quite ably portrayed the roles of the other two brothers—the Reverend William Smythe and Mr. Robert Smith respectively. Humor and much pathos is rendered by Mr. Robert Smith, who is an uncouth drainman.

The part of the Vicar's wife, a very narrow and selfish woman, was enacted very well by Leona Scott. The youthful touch to the story is very skillfully added by Ruth Bauer, as Mary, the niece of the Reverend Mr. Smythe.

The part of Manson the servant in the house, who has a very dominating personality, and the one about whom much of the play centers, was quite ably enacted by Charles Hershey.

With quite as perfect acting, but of lesser importance was the role taken by Delbert Miller, that of Rogers the Butler.

The success of the play was in no small part due to the diligent efforts of Miss West, who directed it and spared nothing to make it one of the finest senior plays.

Edith Firmin and Jane Davis very creditably served as property managers, while Ednanelle Shontelmire and Mary Badger were in charge of the costumes. The stage management was under the care of Eugene Copeland and Merritt Williams. Raymond Krause assisted equally well as business manager.

The Findlay High School Band is one of the most important organizations of our school. Through it's splendid cooperation and regular attendance, much enthusiasm and school spirit were introduced at the football and basketball games of this year. We are indebted to the band's capable leader, Mr. Earl Shisler, for their fine success.

NINETY SEVEN

AFFIRMATIVE DEBATE TEAM

FIRST—H. Schwyn F. Stover, H. Doyle.

SECOND—C. Reed, Mr. Miller, A. Bloomingdale.

Immediately after the tryout, the members were divided into two squads. They spent two days in the Toledo Public Library and one day in Columbus, at the Ohio State University and Law Libraries.

The question debated was: Resolved, that trial by a judge or a board of judges be substituted for trial by petit jury in the United States.

On December 6, the affirmative team debated with Bluffton. Professor Diem adjudicated. We obtained the decision in this debate.

The second debate, held here on January 24th, was with Celina. Professor Howe gave us the decision. For this debate the speakers were shifted. As a result of the debate, we were tied with Bluffton in our district.

On February 13, our affirmative team debated with Bluffton at Lima for the district championship. Unfortunately we lost the decision, given by E. W. Miller of Wooster. This put us out of the State League.

The squad this year was exceptionally capable and active. They took a deep interest in debate and worked hard to win every one. Four members will be left for next year.

THE BLUE AND GOLD

NEGATIVE DEBATE TEAM

FIRST—M. Foster, N. Bame.

SECOND—R. Swartz, Mr. Smith, D. Schatzel, C. Hershey.

The question this year was quite difficult, but the teams mastered it successfully, for they did a great deal of research work.

The first debate was with Lima Central on January 10. Professor Diem awarded the decision to our opponents by a narrow margin.

On January 24, the negative team debated at Sidney. Mr. Higgins, the adjudicator, gave us the decision. The debate, along with the one with Celina, tied us with Bluffton in our district.

Two Sophomore debating teams were organized, for the purpose of giving experience to our future debaters. They were to participate in two non-decision debates with Tiffin and Bluffton, but the former cancelled the engagement. Charles Hershey and Robert Swartz assisted the two sponsors, Mr. Miller and Mr. Smith, in coaching the sophomores.

Only one member will be left for next year.

Mr. Miller and Mr. Smith have sponsored the teams through a very satisfactory season, although we did not proceed very far in the State League.

SCOTT

Walter Scott was a great lover of the out-of-doors and of all types of sports, and like all sports-men he was a man of sterling character and a fine sense of honor.

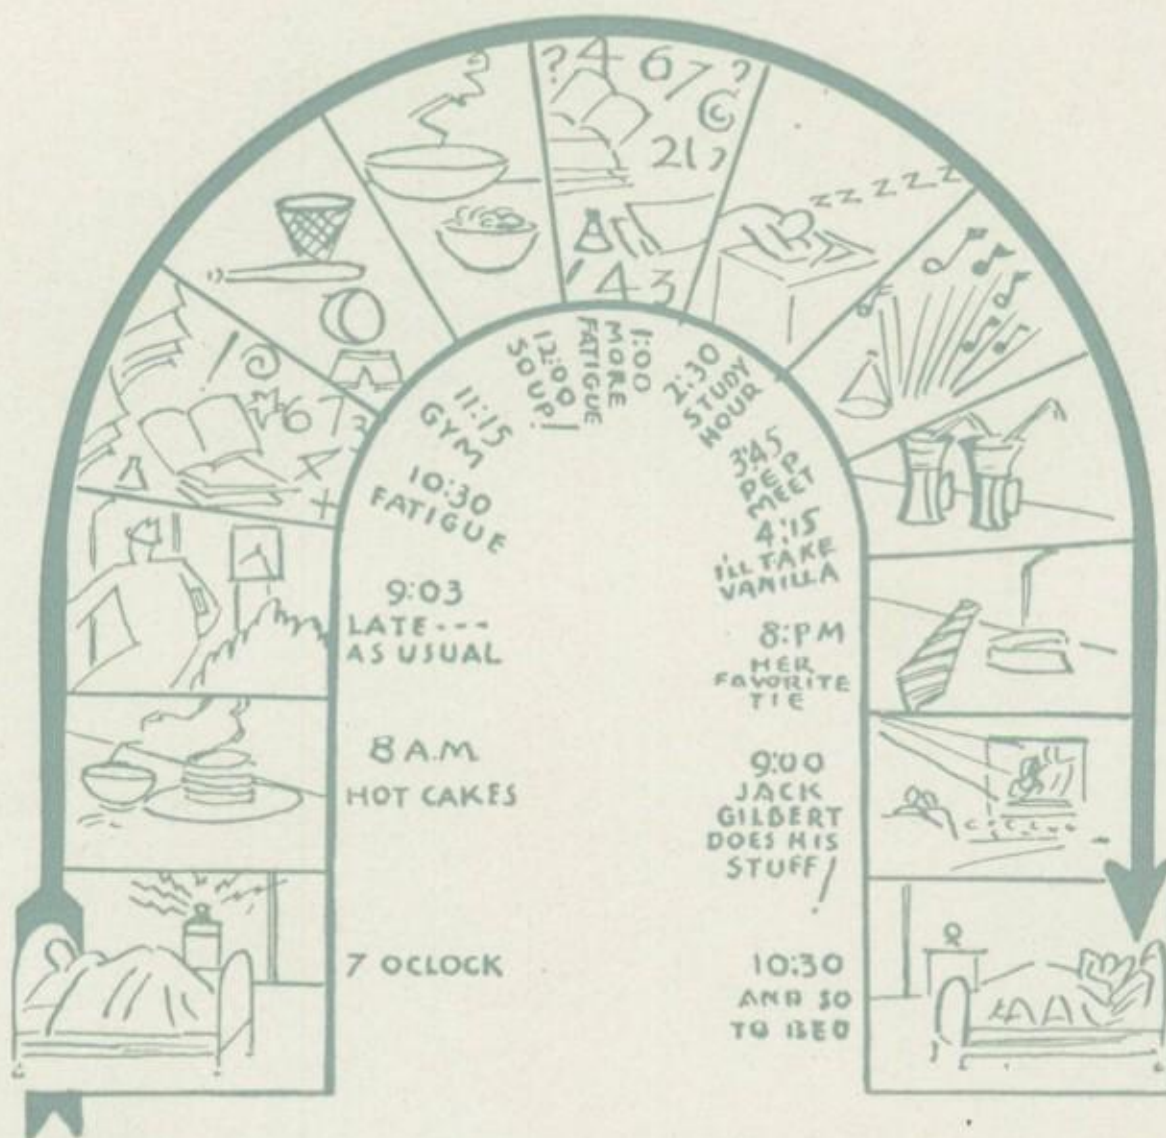

His romantic tales of heroic battles, thrilling

incidents, and love adventures are told in fresh, vigorous verse, which breathes the free air of wild nature and moves with the prance of a war horse. All critics are impressed with the healthiness of Scott's work.

FIRST—G. Hosler, R. Beltz, H. Hartman, J. Walters, D. Simpson, C. Hendricks, J. Spangler, J. Childs, W. Kuhlman, C. Lafferty, G. Collins, W. Poole, C. Cook.
 SECOND—C. A. Robbins, B. Oliphant, K. Hough, E. Ladd, M. Johnston, H. Lucas, E. Folk, R. Knode.
 THIRD—W. Smith, W. Ex, P. Miles, M. Jeffery, S. Stuntz, E. Folk, C. Brandman, A. Routzon, R. McManness.

At the beginning of the season, Coach Knode was faced with a very grave and trying problem. There remained but one letter-man on the squad, and the entire team was composed of players, more or less inexperienced in the game. However, when the season opened, such speed and skill was displayed that this year's team was hailed as one of the finest in the history of our school. The season was begun by winning four successive games, and two more victories were later added. A seventh game was brought to a tie.

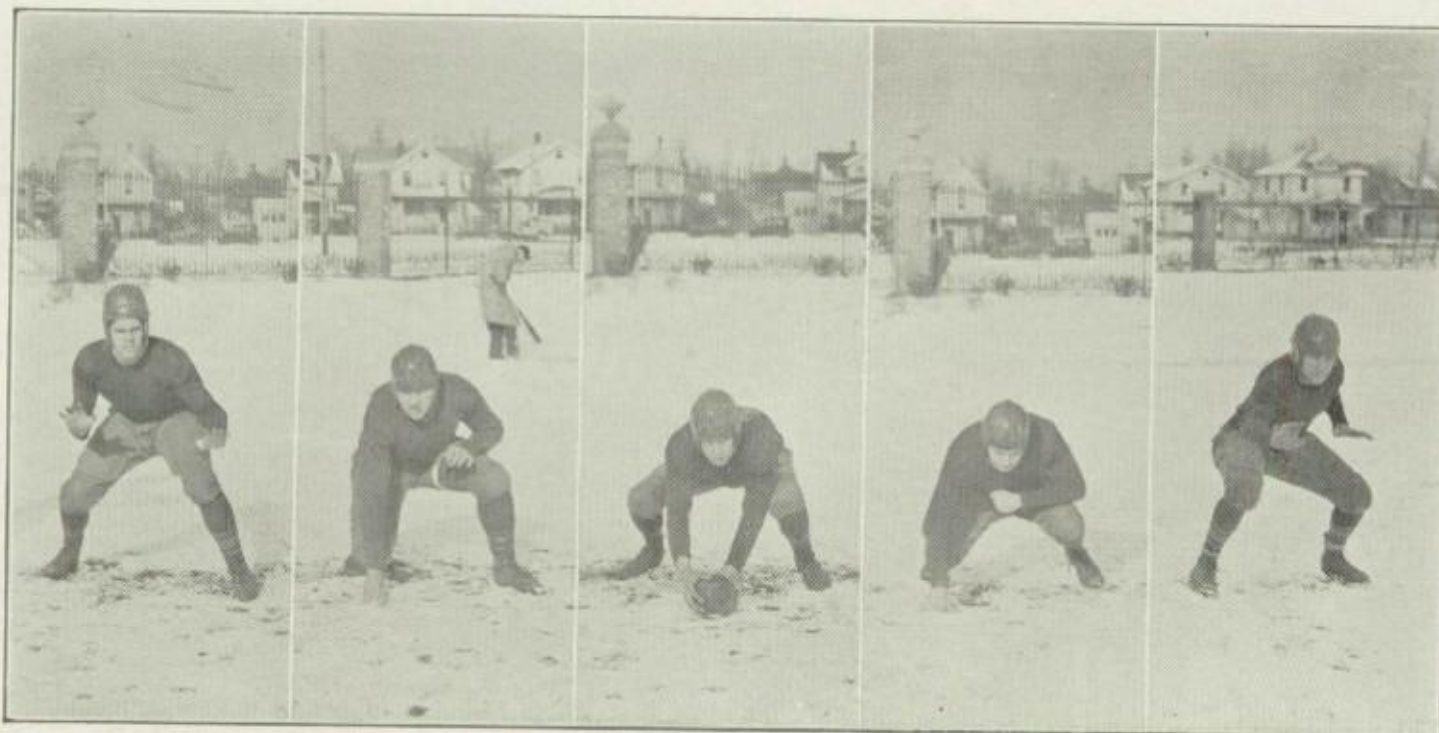

Speed, accuracy, and teamwork were exceptionally well displayed in the season's encounters, as this was the keynote in the year's football successes. The team showed a wonderful enthusiasm and determination in their defeats as well as in their victories, and, as a result of this, a splendid record was left for future years.

Once more has Findlay High School completed a football season which may go down in the annals of the school as victorious and successful. The schedule and results of the season's games are as follows:

Findlay	27	Upper Sandusky	0
Findlay	15	Bowling Green	13
Findlay	26	Marion	6
Findlay	25	Columbus West	6
Findlay	0	Sandusky	31
Findlay	6	Toledo Waite	6

THE BLUE AND GOLD

FOOTBALL

JOSEPH SPANGLER—*Tackle*

Although he had no previous experience, Joe played a splendid game at tackle. He was versatile enough to play a very creditable game in the backfield. Joe's wit and humor were of big help to uphold the spirit and morale of the team.

WALTER KUHLMAN—*Guard*

Walter's weight and size made him remarkably able to hold down his guard position. One could not but feel admiration to see such a big fellow do so much. It will take a good man to fill his position next year.

CLARENCE HENDRICKS. (Captain)—*Center*

Although he was not a flashy player, Clarence was very steady and dependable, and for this reason he served admirably as the captain of the team. He came out this year showing much improvement over his previous years and supplied the leadership so necessary to a team. Clarence is the kind of player a coach likes to build his team on.

JAMES CHILD—*Guard*

A year ago no one would have guessed that Jim could have progressed as much as he has. His size and weight make him well adapted for the line position which he held. It can easily be seen that Jim will be a very valuable player next year.

CLAIRE LAFFERTY—*Tackle*

Claire is the kind of a tackle every coach is looking for: aggressive, a good tackler, and a good blocker. He is a player who gives of his best from the first to the last whistle. With the advantages of experience, added weight, he should be a source of even greater strength next year.

ONE HUNDRED AND NINE

FOOTBALL

WILLIAM POOLE—*End*

Bill was one of the hardest tacklers on the team. The only reason he did not see more service was that only two ends could play at one time. Bill is a valuable team man and will be missed next year.

EDWARD FOLK—*End*

Loyalty and service always bring their reward. Ed was always ready to go into the game when he was needed. Although he is small, his defensive work was of a high order, which leaves only a regret that he will not be with us next year.

DON SIMPSON—*End*

Don was slight of frame but fleet of feet, and caught many a pass to help Findlay's cause. His touchdown in the Elyria game was one of his high spots. Being one of the older and more experienced players on the squad, he proved a dependable asset.

JACK WALTERS—*Fullback*

Jack will always be remembered by the Waite game. In it he displayed his greatest possibilities. His offensive and defensive work was of the highest order. Who will forget how Jack stopped them on defense and sailed around Waite's right end for Findlay's only score?

CHARLES BRANDMAN, (Captain-Elect)—*Quarterback*

Considering his experience in directing a team, "Chuck's" generalship was remarkable. Although he is small his defensive work is exceptionally good. His running and passing cause opponents to worry considerably. His spirit of determination, demonstrated this year when the going was hard, should make him an able and inspiring leader for next year's squad.

FOOTBALL

WALTER SMITH—*Fullback*

Walter's possibilities sensed in track were realized in football. He was very loyal in spirit and one of the most versatile men on the squad. He was a splendid team man, always willing to do what was best for the squad, and untiring in his efforts to improve himself and the team.

GEORGE HOSLER—*Halfback*

We knew George could do it. His running and tackling made us feel glad that he played with Findlay instead of with our opponents.

RICHARD BELTZ—*Halfback*

Dick is one of the Sophomore finds. His kicking and passing were above the average, but in the last few games his running gave promise of equaling his passing ability. Next year, with added weight, strength and experience, he should be a triple threat man who will be feared by any opponent.

HAROLD HARTMAN—*Quarterback*

Harold was one of our quarterbacks who prepared himself to be ready when the call came. Although his playing was not long in minutes, it usually was at an important part of the game when we needed some dependable help.

EUGENE FOLK—*Halfback*

Eugene worked and strove for the position he finally won. His speed, kicking, and willingness made us sorry that the season was over so soon.

FOOTBALL

KENNETH HOUGH—*Tackle*

Kenneth was an unknown at the first of the season, but a great prospect at the end. We are proud of our vocational member and are anticipating big things from him next season.

RUSSELL HENDRICKS—*Guard*

Only a broken collar-bone kept Russell from holding a line position against some other bigger opponents. He has the spirit of a born fighter and next year, no doubt, will come into his own.

JERRY COLLINS—*End*

From out of the unknown Jerry came to take his place among Findlay's best players. One could only marvel at his quickly adapting himself to an entirely new sport. His catching of forward passes gave us many a thrill and set a splendid example for those who are to follow.

CECIL COOK—*Halfback*

Cecil was a new member of our squad who most capably solved one of our backfield problems. He was small but dynamic, and his running was a great advantage to the team. We will miss Cook next year, for he is a true and dependable type of player.

MILAN JOHNSTON—*Tackle*

Quiet and unassuming, Milan demonstrated his worth before the season ended. He is the kind of player to gladden the heart of any school and coach.

BASKETBALL

FIRST—G. Collins, C. Hendricks, J. Clark, Coach Knode, R. Redman, W. Shoemaker.

SECOND—M. Jeffery, R. Beltz, J. Spangler, R. Hendricks, C. Brandman, Manager Schwab.

This year will be inscribed in the annals of the school as one of the most successful in basketball that Findlay has yet witnessed. Mr. Knode, the head coach, to whom a great amount of the success of the team is due, was well pleased with the splendid work which the squad performed in all of its engagements.

The exalted position to which our team has risen is due to the remarkable teamwork and cooperation of all the members of the squad. Each game was entered with the same spirit, and as a result, the team won seventeen straight games out of nineteen encounters. Having entered the State Tournament, Findlay was the victor in both the contest at Bucyrus and at Findlay. From there the team proceeded to the tournament in Columbus, where after a bitter struggle, Findlay was defeated by Dayton Stivers, who won the State Championship.

This year's basketball team may well be classed as one of Findlay's best. The season's scores are as follows:

Findlay	7	Tiffin Columbia	15
Findlay	29	Sidney	16
Findlay	35	Kenton	24
Findlay	36	Mansfield	16
Findlay	47	Lima Central	27

BASKETBALL

JAMES CLARK—(Captain)—Forward

Although he is of slight build, Jimmy played in every quarter and led the team in scoring. The team was pulled out of many dangerous predicaments by his uncanny shooting ability. As captain of the team Jimmy proved himself to be a leader of true merit and one who will be remembered in years to come.

REX REDMAN—Forward

As he possessed a surprising amount of speed and team spirit, Rex was an indispensable cog in the system of play which was used this year. He did not care who made the basket but only that it was made. By those who witnessed his play throughout the season Rex was unquestionably a player of all-state calibre.

CLARENCE HENDRICKS—Center

Although he didn't seem very tall in comparison with Hoskett of Dayton Stivers, Clarence proved to be the hub of the wheel of our team. His play never suffered because of comparison with other centers. Clarence's ability in all phases of basketball throughout the season was of the highest order.

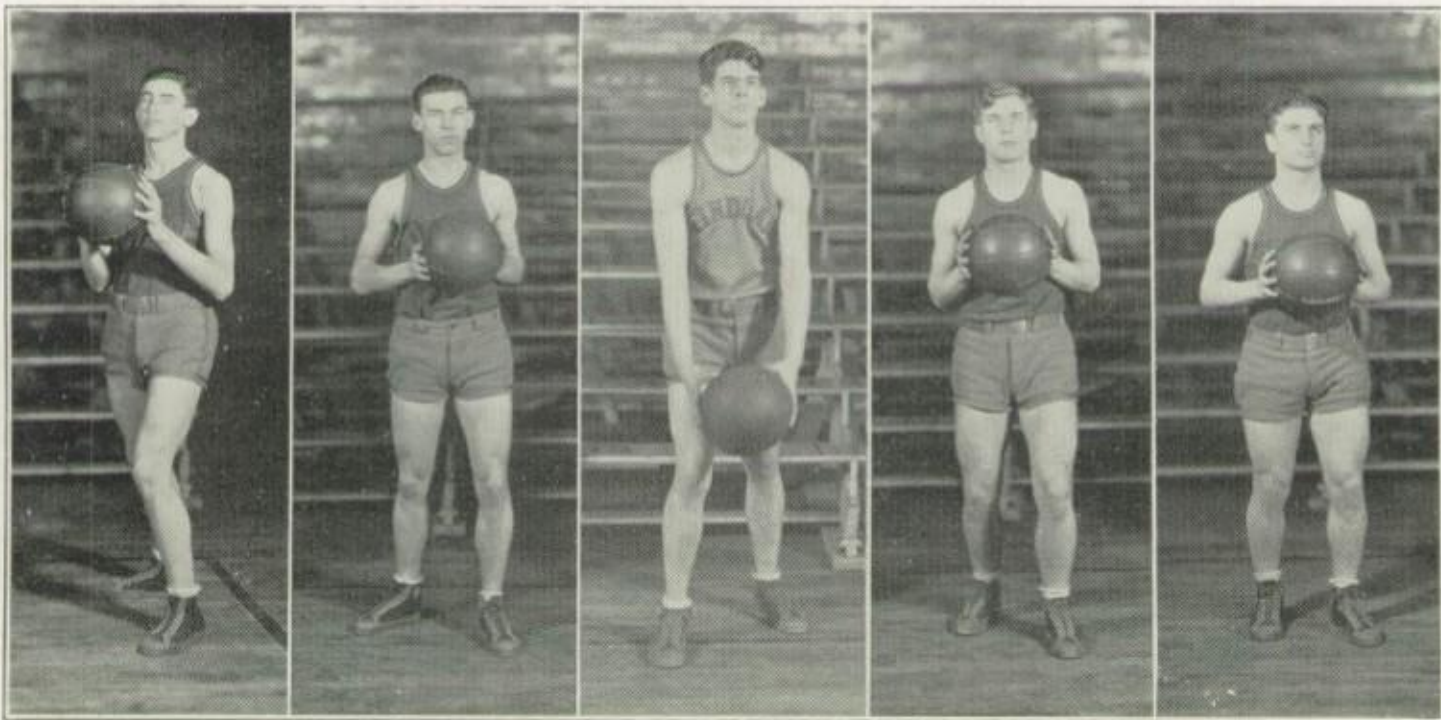

GERALD COLLINS—Guard

As a steady rock of the whole team Jerry really came into his own this year. He possessed unlimited ability and his play was a constant source of admiration. Jerry's defensive work will be a standard for many years to come.

WILBUR SHOEMAKER—Guard

No one could have anticipated that Wilbur would rise to the position of Jerry's running mate. Made over from a forward and center he became a really first-class guard. A few games at his new position made him a cool and resourceful member of the team.

ONE HUNDRED AND SEVENTEEN

BASKETBALL

RUSSELL HENDRICKS—*Forward*

Having secured speed and shooting ability by dint of hard work and practice, Russell gave prospects of a bright future. We are relying upon him to fill one of the positions on next year's team.

RICHARD BELTZ—*Center*

Within another year Dick's basketball ability will rival that which he possessed in football. Whenever called upon throughout the season he made his presence keenly felt.

JOE SPANGLER—*Forward*

Joe was one of Findlay's most versatile and all-around players. He could handle any position with more than ordinary ability. Time and again he demonstrated his worth by his willingness to do whatever was requested of him.

MERLIN JEFFERY—*Guard*

It did not require much time for Merlin to show his ability, as no one on the squad improved more than he. Unless something unforeseen happens he will be a worthy successor to the many fine guards who have played for Findlay in the past.

CHARLES BRANDMAN—*Guard*

"They grow them large in Findlay," said the President of the Bucyrus Chamber of Commerce. He must have been thinking of Chuck's ability to overcome the handicap of size. He never asked quarter from anybody. We are glad he will be with us two more years.

GIRLS' BASKETBALL

FIRST—A. Fisher, W. McGown, D. Diehlman, L. Dreisbach, M. Huntwork.

SECOND—I. Cavins, W. Cochenour, R. Caldwell, C. Jacobs, F. Miller, I. Wisner, L. Swisher.

THIRD—E. Diehlman, R. Bogart, D. King, F. Amrine, Miss Enright, L. Wertz, I. Longworth, R. George, P. Johnson.

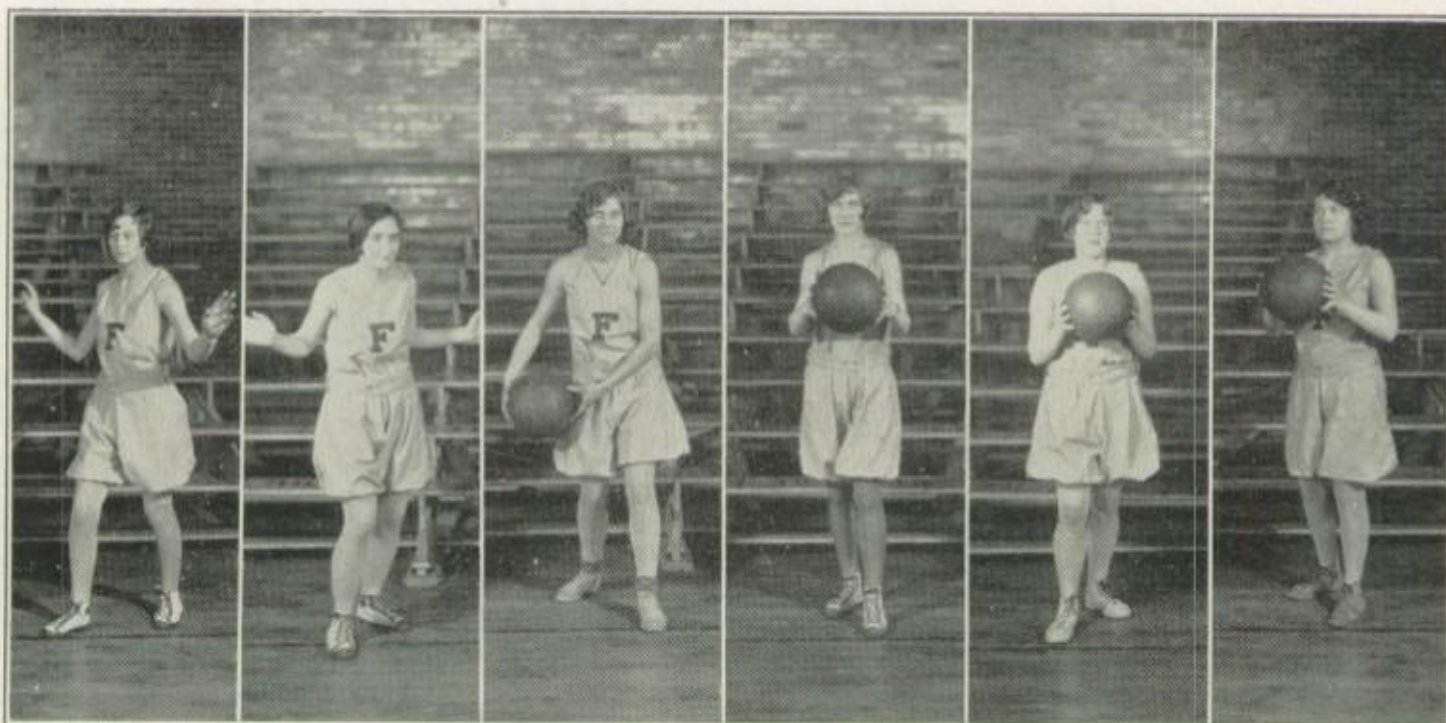

This year the girls' basketball team displayed true sportsmanship throughout the season. Because of the unusual ability of the entire squad it can be sincerely said that this team was one of the finest and most cooperative in the annals of Findlay High. Nine times they went into the game with the determination to win. Seven times they returned victorious. They never failed to play the game under the splendid leadership of the captain, Louise Dreisbach.

Let us give special emphasis to the untiring efforts of our coach, Miss Enright, whom we are learning to appreciate more each year.

ONE HUNDRED AND NINETEEN

BASKETBALL

ALMEDA FISHER—*Guard*

Almeda merits the admiration of any spectator by her energetic, quick movements. She fought and fought until the final whistle blew. How those forwards would have liked to get around her, but that was impossible. Almeda also leaves us this year.

WILMA MCGOWN—*Guard*

Wilma, a guard, profited by her experience on the squad last year, deserves a great deal of praise on her fine playing. When the ball came her way we felt sure that it would soon be in the hands of one of our forwards. Wilma will soon be leaving us, but she leaves us as a steady, dependable guard.

DOROTHA DIEHLMAN—*Guard*

Dorotha played an outstanding game at guard this year. Some of those forwards surely became dizzy trying to evade her. She was always in their way, breaking up their dribbles and juggles and never failing to receive the tip-off. We only hope to have some more guards like her in the future.

MARIE HUNTWORK—*Forward*

Marie was our center who certainly made use of her height. She always hit that ball and dodged the guards with a calm certainty at which we marveled. She is another good forward who is saying goodbye to us this year.

RUTH ANDRUS—*Forward*

Ruth proved to be an excellent forward and fighter. She was speedy and ever ready to make her plays count. She enjoyed playing equally as well as we enjoyed watching her. Ruth graduates this year, and we know what that means.

LOUISE DREISBACH, (Captain)—*Forward*

Louise played her second and last year of varsity basketball to our utmost regret. As captain she proved a most fitting example for the team, with her calm, alert action, sincere sportsmanship and sure passes. Nevertheless, since all good things must come to an end, we are extending a farewell to Louise.

ONE HUNDRED AND TWENTY

BASKETBALL

RUTH CALDWELL—*Forward*

Ruth, another junior, was one of our flashy little forwards. When she entered the game things began to happen. Ruth could run circles around any opposing guard. She was always wide awake and on hand with the ball. Great things are expected of her next year.

WANDA COCHENOUR—*Guard*

Wanda, a junior, displayed fine ability as a guard, especially when the game was close and exciting. She was continually in the way of those forwards. Wanda will undoubtedly prove to be a strong threat against next year's invading forwards.

IMO CAVINS—*Forward*

Imo was one of our great discoveries. She could put the ball through the ring from any angle. Speed and accuracy were hers to perfection. The way she gave those guards the slip would give anyone heart failure. The nicest part of all is that Imo is going to have a chance to do it all over again next year with any improvements which she wishes to make.

FRONA MILLER—*Forward-Center*

Frona was our reserve center. She was advantageously blessed with the height to hit the ball and also cover distance. As Frona will inevitably be our center next year we are anticipating some excellent work next year.

CORRINE JACOBS—*Guard*

Corrine was one of our alert little reserve guards. She has profited very much by her two years of practice on the squad. Her motto is that her opposing forward shall never make a basket. We hope to see Corrine star next year.

BOYS' INTRA-MURAL BASKETBALL

FIRST—C. Leader, G. Whisler, D. Simpson, F. Sargent.

SECOND—W. Poole, W. McDowell, W. Shoemaker.

Much enthusiasm was displayed this year in the intra-mural basketball competition. Two divisions were organized: Division I contained all of the junior and senior home rooms, while Division II was composed of the sophomore home rooms. Of this latter group, Home Room 201 was the victor.

In the first group the teams were very closely matched, and keen rivalry, coupled with skillful team work, was well displayed in the games. The final encounter was between the teams of 212 and 213 and was won by Mr. Hutson's Senior Home Room 213. Throughout the season this team has known no defeat and truly deserves the title it has won.

Much of the success of the intra-mural athletics is due to Mr. Robbins, who was responsible for arranging and promoting the games.

Those composing the championship team are: Don Simpson, captain; Wilbur Shoemaker, Rex Redman, Kenneth Jefferds, William Poole, Glenn Whisler, Merritt Williams, and Charles Leader. This championship team was composed of members not only from Home Room 213 but also from Room 110, and this latter room rightfully deserves its share of the honor.

GIRLS' INTRA-MURAL BASKETBALL

FIRST—Z. Campbell, J. Davis, A. Fisher, A. Altman, B. Davis.

SECOND—L. Bayless, D. Diehlman, D. Curtis, H. Buis, L. Dreisbach.

The fifth Girls' Intra-Mural Basketball Tournament proved to be a display of unsurpassed rivalry and sportsmanship. Sophomores, juniors, and seniors were equally endowed with determination and ability to win.

Throughout the tournament competition grew keener. The final game between Senior Home Room 108 and Sophomore Home Room 103 brought the tournament to an end with a score of 24 to 18 in favor of the seniors.

The following girls composed the victorious team: Almeda Fisher, captain, guard; Audrey Altman, forward; Louise Dreisbach, forward; Betty Davis, forward; Dorothea Diehlman, guard; Harriett Buis, guard; Zeylah Campbell, guard; Jane Davis, guard; Laura Bayless, forward; and Dorothy Curtiss, forward.

CHAUCER

Geoffrey Chaucer, our first modern English poet, was not a poetic dreamer but a stirring business man. The repeated selection of Chaucer for foreign and diplomatic business shows clearly that he was considered sagacious as well as trust-worthy.

As a poet he formed the model English literature for all subsequent writers.

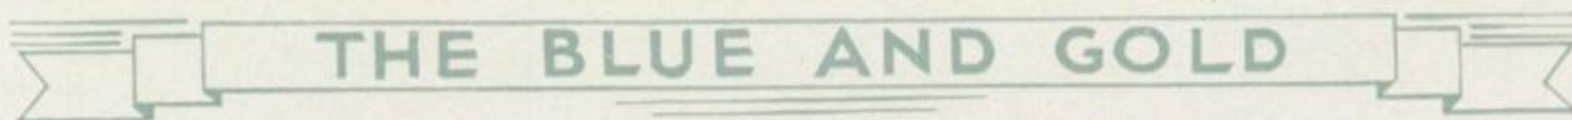

Chaucer's busy life did not keep him from attaining third place on the list of England's poets.

Justamere Club Song

Come let us sing to old Justamere,
Boast to her praise with a rousing cheer,
Sing of her worth to all things on earth
And of her end we'll never fear.
There's always a place in the faithful heart

To cherish a club true love could start,
While hearts are singing,
Voices are ringing,
Let's cheer for old Justamere.

Words by Radcliffe Robinson

Music by Lucille Spangler

J. McManness: "Say, ma, these new pants are too tight for me; they're tighter than my skin."

Mrs. McManness: "Don't be foolish son, there isn't anything tighter than your skin."

J. McManness: "These pants are, ma. I can sit down in my skin but I can't in these pants."

Little Boy Blue come honk your horn
Your car's at the cross roads,
Your brake linings worn.
But—Little Boy Blue made narry a peep,
Now he is under a tombstone fast asleep.
